CLASS OF

To Our Friend and Classmate Jeffrey Stratton

IN MEMORIAM

Forgive my grief for one removed,
Thy creature, whom I found so fair.

I trust he lives in thee, and there
I find him worthier to be loved.

Forgive these wild and wandering
cries,

Confusions of a wasted youth;

Forgive them where they fail in
truth,

And in thy wisdom make me wise.

— Tennyson

Dedication
Jeffrey Stratton's untimely death in December 1993 shocked many of us. Jeff lived his life to the fullest, joining many different extra-curricular activities; and taking a genuine interest in the people he touched. With his quick smile and easy-going manner he made many friends and allies among his classmates. We would like to dedicate this yearbook in the memory of our friend and classmate.

Class of 1995

Front Row: Fawn Denuc, Bryan Galvagni, Kelly Mills-Dick. Back Row: Erin Douglas, Julie Liporace, Brian Keegan.

"There we were gathered all in one place . . .
With no time left to start again."

Don McLean

The Class of 1995 certainly leaves its mark upon the halls of Hoosick Falls Central.

Starting on that September day when we all boarded the yellow buses for kindergarten classes, we knew we were destined to glory. We were of such a large number that additional staff had to be added. As we approach June of 1995, we are still together and are the largest class to graduate from HFCS in many years. We have fond memories of our elementary years and of Mr. Stempek, our elementary principal, and the elementary faculty. We would especially like to acknowledge our thanks to Miss Farrara who gave many of us such a terrific beginning.

As we entered junior high, we struggled and so did the faculty. We all survived and we thank the junior high faculty for putting up with us when we were going through our "growing pain" years.

As we entered ninth grade, we were greeted by our class advisor Mrs. Douglas. She has stayed with us as our advisor for four years, and we wish to thank her for the time, energy, and leadership she has given to each of us.

In our sophomore year we had a special ring ceremony and Dr. Bulmer, President of Hudson Valley Community College, was our guest. We also sponsored a donkey basketball game which proved to be a big success and a lot of donkey-fun.

Our junior year was busy planning for the prom. Our fashion show was a great success, and everyone looked sophisticated and dashing. Then came the day for our prom, "Dreams to Remember."

For the first time, the prom was held outside of school. We will always cherish the night of fun, and the videotaping of the event will be played at our first reunion.

Our class also has been involved in the community and has sponsored car washes for the benefit of the Hoosick Falls Health Center and the new playground.

Our senior year has finally arrived. The tiny, curious faces that peeked out of the yellow bus in September of 1981 are now faces of men and women destined to be tomorrow's leaders. As we prepare to leave the halls of HFCS, not knowing what the coming years will hold, we can find strength in the knowledge that we have great experiences to draw from as well as great potential for the future.

Dreams to Remember

Prom 1994

Dreams To Remember
*I've got dreams, dreams to remember
 I've got dreams, dreams to remember
 Honey, I saw you there last night
 Another man's arms holding you tight
 Nobody knows what I feel inside
 All I know, I walked away and cried
 I've got dreams, dreams to remember
 Listen to me, I've got dreams, dreams
 to remember*

*I know you said he was just a friend
 But I saw him kiss you again and again
 These eyes of mine, they don't fool me
 Why did he hold you so tenderly?
 I've got dreams, dreams to remember
 Listen honey, I've got dreams, rough
 dreams,*

*Dreams to remember I still want you to
 stay,*

*I still love you anyway I don't want you
 to ever leave,*

*Girl, you just satisfy me I know you
 said he was*

*Just a friend but I saw you kiss him
 again and again*

*These eyes of mine they don't fool me
 Why did he hold you so tenderly?*

*I've got dreams, dreams to remember
 Listen to me mama I've got dreams,
 bad dreams,*

*Dreams, rough dreams to remember
 Don't make me suffer, don't let me.
 I've got dreams, dreams to remember.*

Mrs. Douglas and the Class of "95" combined to produce an unforgettable Junior Prom. The Prom was held at The Turf Inn in Albany. The dinner was excellent and the exciting decor was created by a professional decorator. The Class enthusiastically danced the night away. We shall always cherish the faces of our classmates as we look back on "Dreams to Remember."

Middle School

Middle School Student Council

One of the most active organizations in the middle school is the Student Council. Here is an opportunity for students to learn something about living in a democracy. The difficulties of getting people to agree on a course of action, and to do work involved in actually carrying out a plan are experienced by Student Council members.

Student Council is involved in almost every activity planned and implemented in the middle school. The Council has been involved in Homecoming, dances, Christmas activities, and service project such as the Food Basket Drive and Christmas Wish. Two favorite activities are Fun Night and the eighth grade "Moving-Up" dance in the spring. Student Council is open to any 7th and 8th grader willing to work hard for the school.

Homecoming

The spirit of Homecoming week kicked off with the halls being decorated according to themes. Once again, the seniors prevailed against the "powerless" juniors in the annual powder puff football game. One of the highlights of Homecoming week was the HF varsity football team's victory over rival Mechanicville under the bright lights.

1994

Homecoming week came to an elegant close with a gala dinner dance at the Paradise. Much like Julius Caesar, "We came, we saw, we partied."

The Senior Band is comprised of 110 students in grades 9-12. All families of instruments are represented from flutes through double reeds and brasses and percussions.

The Senior Band performs five parades annually, including the local Memorial Day Parade, Flag Day and Uncle Sam Parades in Troy, and Independence Day in Berlin. This past season we also participated in the 200 Year Celebration in Waterford. Last August, for the first time, we participated in the Bennington Battle Day Parade and earned First Prize in our division. We earned further honors by taking second place out of six bands in the Uncle Sam Parade in September.

The Band also performs concerts in October, December, March and April and attends the NYSSMA major organization festival. We also participate in the National Honor Society induction and Flag Day at the Elks in Hoosick Falls.

This year we have the following members chosen for All County Band: Julie Waytkus, Sue Cornell, Leah North, Katarzyna Kozaczuk, Theresa Sukuskas, Todd Bamrick, Jessica Rice,

Kristin Flower, Nichole Rogers, Aaron Slowey, Nathan Speanburg, Michelle Sprague, Shanna Renzi, and Brian Keegan.

Band students Julie Waytkus, Nat Speanburg, Kristin Flower and Michelle Sprague also attended the Area All State Concert held in Saratoga Springs.

Kristin Flower, our bassoonist, had the distinction of being selected for the conference All State Band at the Concord in Kiamasha Lake. This was based on her score of 98 on the audition in June. Kris is the third person in thirty

years to be selected from our school for this event.

This is a fine band and it is to be commended for its musicianship and community spirit.

Thespian Troupe #4933

The Drama Club, with 65 students under the direction of Mrs. McCaughin, has once again had a busy and successful year. It offers a variety of opportunities to the students. There are acting lessons as well as technical workshops to involve everyone in some level of theater.

The Fall musical, OKLAHOMA! with Sarah McGarvin as stage manager and Yvonne Stevens as her assistant, was a huge success. Kevin McCaughin and Michelle Sprague led the cast. Many students pulled together as actors, technicians, and support staff, to bring the musical to life.

The Lip Sync contests have continued to be an important fundraiser. The Jeff Stratton Memorial Audio and Lighting Booth with its equipment has been funded almost entirely from the proceeds of these popular contests.

The spring production of Anne of Green Gables brought a classic piece of literature to the stage. Stage manager Robert O'Dell and his assistant Brooke Whitney worked with the cast and crew under Mrs. McCaughin's direction. The play enabled many people to meet for the first time the lively character of Anne Shirley portrayed by Alitia Crismond.

Once again in the spring, Nunsense II hit the stage with Kevin McCaughin as director and Shanna Renzi as choreographer. The scholarship benefit was a huge success with teachers Michelle Culver, Priscilla McCaughin, Nora Senecal, Maragaret LeStage and student Shanna Renzi as the feisty sisters from Hoboken.

FOREIGN LANGUAGE CLUB

The Foreign Language Club is composed of students in grades 7-12 who have an interest in another language and the culture of the people who speak it. Foreign Language Club sponsored activities include dances, sale of Thanksgiving pies, tag sale, and sale of club — made cookbooks.

They Travel The World . . .

Hola! Como estás? The Foreign Language Club has initiated a tradition which allows for a trip to a Spanish speaking country one year, and trip to a French speaking country the following year. In April of 1993, five members of the Foreign Language Club took a week long trip to Royal Madrid and surrounding historic towns. While in Madrid, they visited the famous El Prado Museo (Museum), the Plaza Mayor, and El Palacio Real (Royal Palace). Throughout their journey into the Spanish land, they explored towns such as Avila, Segovia; the location of Queen Isabella's and King Ferdinand's castle Alcazar, and Toledo where famous Spanish swords are made. Then the trip was over and everyone was ready to depart for home. Until 1995, adios, amigos.

Bon Jour! In the summer of 1994 the Foreign Language Club travelled yet again to a foreign land. This time the destination was Paris, France, the city of love. Five students of the Foreign Language Club remained in Paris for a week and enjoyed the various famous sights. The students then travelled to Ms. Huguet's hometown where they had the magnificent opportunity of living with host families in the French countryside. Finally, the trip came to a close and everyone was anxious to return home. Until 1996, au revoir!

The Ski Club provides a great opportunity to learn downhill skiing, enjoy the great outdoors, and gives students a chance to relax with their friends and teachers. This year, snowboarding was allowed for the first time. The Club skis at Brodie Mt. on Thursday evenings. The chaperones are Mrs. Douglas and Mr. Veldman.

Who do you think you are? Rockettes?

Please, Mrs. Douglas, no more pictures. We want to ski.

The 1994 Hoosick Falls Baseball Team finished tied for 3rd in the league with an 8-6 record. They were 13-10 overall. The highlight of the season was a thrilling win over the 2-time defending state champion Greenwich Witches. Straight steals of home by Josh Clintsman and Neil Holloway sparked the 7-4 upset. Dan Martelle led the team in hitting. The freshman batted .420 for the year. Josh Clintsman (.400) with an impressive display of late season slugging, Neil Holloway (.338), and Phil Vassello (.329 and team high RBI's) were other leading hitters. Phil (4-4) and Mike Richard (7-4) handled the bulk of the pitching duties. Three straight wins at the end of the regular season catapulted the Panthers into the sectionals. In the quarter-finals Clintsman (4 hits) and Vassello (complete game & 9K's) led us to a 9-3 upset of Saratoga Catholic. The season ended with a disappointing 6-0 loss to perennial power Water-vliet at beautiful Central Park in Schenectady. However, with 7 players returning and young talent moving up from the JV team (13-1 league champs), the future years show the promise of excellent baseball teams at HFCS.

The 1994 HFCS Varsity Golf team was successful in its attempt to defend its three titles. As the team membership swelled to 26, competition flourished among its young players.

Led by senior captains, Aaron Blinstrub and Tim Coulter, Panther linksters sported an 18-

0-0 overall record and raised the program record to 118-0-0 over a 9 year span. A bright future is "lurking" for the team, with names like Baklavas, Callahan, Tudor and Hickey to be reckoned with.

Vacancies from graduation will leave four opportunities for serious golfers to fill. Look for a more ambitious and varied schedule.

Off season practice is a must!! Be all you're capable of being!

1995 will be the year of the underclassmen. Be prepared to continue **THE TRADITION**. Thanks again, team, for the privilege of letting me experience your successes.

With a record of 6 wins and 11 losses the Girls' Varsity Soccer team completed its most successful season to date. For the first time in the program's three-year history the team made it to the sectionals. Our leading scorer was Holly Church with 14 goals and our exceptional goalie, Laura Peabody, had 2 shutouts and an excellent season. Despite the relentless opposition, the team finished in a well-ranked position.

Varsity Boys' Soccer

This year's varsity team had an overall record of 12-7. The team tied for second in the league with a 6-4 record. Captain Eric Thomas, Class "C" Wasaren League 1st Team All-Star, led the team to many important victories. This year the team made it to the semifinals for the sixth time in 8 years. This is quite an accomplishment for a young program.

Next year, every player will be returning with the exception of three seniors. The outlook should be great for a league title and then a sectional title.

Congratulations to the varsity program which recorded its 100th victory in its 8th year.

A Season to Remember

The 1994 Varsity Field Hockey Team had an outstanding season. The team started off the season by winning the Hoosick Falls Invitational Tournament. Goalie Julie Liporace was named MVP. The Lady Panthers continue their winning ways and won the WASAREN League with a 10-2 record. Both losses were in overtime corners. On a humid autumn night the Lady Panthers won the Section II Class C Championship on the turf at Union College. The sticksters season ended with a 1-0 loss to an undefeated

Bronxville team in the Regional Finals. The Field Hockey Team ended its fine season with 17 wins and 3 losses. Amy Miller, Leah North, Anne Johnson, Julie Liporace, Erin Douglas, and Kathleen McGuire were named Wasaren League All-Stars. Liporace, Douglas, and McGuire were selected as First Team Section II All-Stars and Erin Douglas was also named First-Team All State. Coach Michele Kippen earned Coach of The Year honors for Class C. It was a season to remember.

The 1994-95 Varsity Girls' Basketball season is proving to be another successful year for the Lady Panthers. After finishing as runners-up last year in Section II Class CC, the hoopsters are hoping this year to take home the Championship.

The Lady Panthers feature a well-balanced scoring attack led by senior guards Erin Douglas and Kathleen McGuire, and junior center Jen Richard. The depth and quickness of the team has contributed greatly to Hoosick Falls' success.

The Annual Hoosick Falls Invitational took place in January with Albany, Arlington, Cambridge teams joining the event. The Lady Panthers placed second in the Invitational, and Erin Douglas and Meg Barber were voted the MVP's.

The Road Not Taken

Robert Frost

Two roads diverged in a yellow wood,
And sorry I could not travel both
And being one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair, and having perhaps the
better claim,

Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,
And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverge in a wood, and
I —

I took the one less traveled by,
And that has made all the difference.

To the Class of 1995,

What a wonderful trip it has been!

Being a parent of a student in the Class of 1995 has allowed me the marvelous opportunity of knowing most of you since kindergarten. I can still remember the enthusiasm and smiles on your faces as you each received your diploma from Mr. Stempek. As I sat in the audience with your moms and dads, I could not help but wonder what you would be like as young adults.

As I watched you grow through your middle school years and enter high school, I saw you develop qualities that are very special. Academically, you have excelled and many of you have been accepted into prestigious colleges. In our class we have talented artists, musicians, athletes, and performers. By working together, caring for each other, and respecting each other's uniqueness, you have had a positive impact on our school system.

As your class advisor for the past four years, you have all become a very important part of my life. Instead of one daughter graduating, I feel that you are all my children. We have shared many special times together which I shall cherish always. I hope that each of you will write to me next year so that we can continue our friendships.

Your class officers for the past two years, Kelly, Julie, Erin, Bryan, Fawn and Brian, are true leaders who have unselfishly given of their time and energy to bring about many of the special events which the Class of '95 has been able to accomplish.

In a few short weeks you will receive your diplomas. They will be not only a symbol for what you have accomplished here at Hoosick Falls Central, but also a symbol for the beginning of the rest of your lives. The time has come for you to leave and for us to say goodbye. You have become enthusiastic young adults, and the thought of your departure leaves me tearful, but eager, when I think of how much potential you have to make our world a better place.

Love and success to each of you,
Mrs. Douglas

Dear Autumn,
I love you and wish the best for you in life — You're very creative — Remember think things out carefully before you speak.
Love forever,
Mom

Julie,
For yesterday is but a dream, and tomorrow is only a vision, but today well-lived Makes yesterday a dream of happiness and every tomorrow a vision of hope.
Love,
Mom

Dear Anne,
Look to the future, make your own luck, and remember we love you.
Mom and Dad

Dear Erin,
This is only the beginning — The best is yet to come. We are very proud of you, and whatever your path, you have our support and love.
