# A Dedication to Mrs. Senecal

The 2000 edition of the Vagabond is dedicated to Mrs. Nora Senecal. After graduating Cum Laude in 1979 from Russell Sage College with a Bachelor of Arts in English, Mrs. Senecal then received a Master of Arts in Education and Media from North Adams State College.

She started teaching in the English Department of HFCS in 1985. She devotes her energy and time not only to teaching, but is always there to lend support to students. Through her teaching and role modeling, students have learned much about life and the importance of helping others.

Mrs. Senecal assists in Drama Club productions, musicals, and is always on hand for the senior skits. Her unboundless energy leads her to involvement in many student activities from assisting with Honor Society night activities to helping with graduation. This year Mrs. Senecal has added Mock Trial to her list.

Mrs. Senecal grew up in Brunswick, NY and graduated from Tamarac High School. She learned her involvement in community service from her well-respected father, Judge Doyle. Nora resides at Babcock Lake with her husband Lance. She is the proud mother of two sons, Lance (LK), and Nolan. Thank you, Mrs. Senecal. We are proud to honor you.

## Class of 2000

### The End

Our years here at HFCS are soon coming to an end. It seems like only yesterday the first day of kindergarten was just around the bend.

Soon most of us will be going off to college, leaving our friends and family behind. And to think that I thought that I wouldn't really mind.

The friends that I have made, and the memories that we share, give me confidence and make life on the outside seem like something I can truly bear.

To all my friends I'll miss you, and to all I wish the best. Good luck in the future and on your own life's long quest.

The memories flash before my eyes as it nears time to go. Put on your caps and gowns now and let your true selves show.

I will never forget you all, you all who are my friends. Smile now and stand up tall because now it is the end.

*Steve Geraghty 2000*

MILLENNIUM

From an "Evening in Hawaii" to rafting the white waters of the Sacandaga to the strains of the not-too-distant "Pomp and Circumstance," I have watched you on your journey from childhood to young adulthood. It has been both my privilege and my pleasure to have spent time with you along the way.

When Dickens expressed the paradox, "it was the best of times, it was the worst of times," he was describing the end of the 18th century; little could he know his words would continue to describe the world two centuries later. We stand on the cusp of a new millenium — with unemployment at an all-time low, technological wonders making anything seem possible, and world peace no longer an outrageous fantasy. At the same time, our rainforests are disappearing, the endangered species list grows geometrically, and our very lifelines — our air and waterways — are dangerously polluted.

As both the class and the spirit of this millenium, you will be tomorrow's leaders, and you will determine the character of the new world order. You have what you

need for the job within you — you learned it all in kindergarten. As Robert Fulghum reminds us: "Share everything. Play fair. Don't hit people. Put things back where you found them. Clean up your own mess. Don't take things that aren't yours. Say you're sorry when you hurt somebody. Cookies and milk are good for you. Take a nap every afternoon. Live a balanced life — learn some and think some and draw and paint and sing and dance and play and work every day some. Be aware of wonder.

Think what a better world it would be if the whole world had cookies and milk about three o'clock every afternoon and then lay down with our blankies for a nap. Or if all governments had as a basic policy to always put things back where they found them and to clean up their own mess.

And it is still true, no-matter how old you are - when you go out into the world, it is best to hold hands and stick together!"

Soon it will be time to say good-bye, and I wish the best for you forever. -Mrs. Clintsman, Advisor

### What Dreams May Come

The Class of 2000 held their Junior Prom on Saturday evening, June 5, 1999. The students' hard work changed the decorum of the high school into a beautiful setting of waterfalls and mystical gardens. After the prom, students boarded busses to watch videos and catch up on sleep while traveling to the Six Flags Amusement Park in New Jersey. It was a wonderful event that will long be remembered.

Spirit, enthusiasm, and Panther Pride are only a few words to describe this year's Homecoming activities. The Class of 2003 won the hall decorating contest and the Class of 2000 won the spirit design contest for their Panther Mobile. The Boys' Varsity Soccer Team were the judges' choice for the team demonstrating school spirit with their mud-sliding exercises during half-time of the football game.

The week ended with a formal dance on Saturday evening, October 23. Everyone had a great time as they danced away to their favorite songs. The events were sponsored by the Student Council. Thank you to all who participated in preparing for the dance.

# Senior Ball

Smile pretty girls.

Cheers!

Don't you look great!

This year's Senior Ball was held on February 19th at the Crossgates Restaurant. Everyone had a great time, despite the fact that most of us got lost on the way there! Miss McGuire and Mr. Veldman were our chaperones and Mr. and Mrs. Johnson made a guest appearance as well. Mrs. Clintsman horrified us by grading papers during the last half of the night. All in all, it was a wonderful way to celebrate together as seniors. Sarah Mackin

It was another successful season for the Varsity Softball team. After going 11-3 and grabbing a share of first place in 1998, the girls followed up with a 12-2 record good for second place in the league.

Playing in two tournaments again this year, Hoosick Falls took second in the Scotia tournament with a 3-1 record and second in the Mt. Anthony tournament, losing to Pittsfield in the championship game.

In the Class CC Sectionals, the Lady Panthers were the third seed and won their first game before being eliminated in the semifinals.

With three hitters going over the 300 mark, Eliza Bouplon led the way hitting .477 followed by Kiah Narotski at .400. Joleen Matte, Andrea Weeden, and Meaghan Harwood all scored over 30 runs, while Eliza Bouplon led with 25 RBI's and Harwood drove in 24. Andrea Weeden led the pitching with a 13-4 record while hurling 121 innings. Her ERA was 2.02 followed closely by Hannah Bouplon with a 2.15.

First Team All-Stars were Andrea Weeden, Kiah Narotski, and Eliza Bouplon. Second Team All-Star was Meaghan Harwood.

The 1999 version of Hoosick Falls Baseball continued a tradition of success on the diamond passed down throughout the 90's. For the tenth time in 11 years the team qualified for the Section 2 Playoffs, overcoming many obstacles in their way. The team finished the regular season with a record of 12-12 (7-7 in the Wasaren League), playing a rugged schedule. The team was led by the top three hitters in the line-up, who were all seniors. Shortstop Pat Begin batted .333 and went 28 for 28 stealing bases even though he missed two weeks in the middle of the season with chicken pox. Catcher Chris Arnold batted .439 and had 24 RBI's. Second Baseman Matt Benkoski batted .382 with 23 RBI's and 14 for 14 on stolen bases. Fellow seniors right fielder Josh Driscoll (.304 BA) and left fielder Zach Rimkunas (.284 BA) formed a solid group of veterans. Juniors Brad McGuire (.317 BA), Josh Whalen (20 RBI's, 8-4 as a pitcher), Jason Brandi (.322 on base %) and freshman Ryan Garippa (.359 on base %, 45 innings pitched) and Jeff Benkoski (.298 BA) form a solid nucleus for next year's team.

The Seniors

The Goalies

The Girls' Varsity Soccer team completed a very successful season with a 14-5-1 record and claimed second place in the newly formed Wasaren League. Memorable highlights of the season included two first ever victories. The first was over Greenwich in overtime on their home field. The second was an exciting senior night game against Cambridge in the fog which ended 1-0 in favor of the Lady Panthers. One more exceptional victory was the decisive 2-0 win over Tamarac at the close of the regular season, marking only the second league loss Tamarac has had in three years. (The other being to Hoosick Falls in 1997.) The Lady Panthers advanced to the Section II semi-finals and played the Tamarac for the second year in a row. After 110 minutes of scoreless play, the game was declared a tie but Tamarac advanced to the finals by winning the penalty kick round.

The girls upheld the team academic legacy as well as receiving the Scholar Athlete award for the fourth consecutive year. Seniors Christy Brownell, Amy Church, Katelyn Cottrell, Marla Fitchett, Joleen Matte, Katie Teker and Sarah Vincent were true team members with high standards to uphold. Coach Fitchett

As the last campaign of the millennium unfolded, the youngest, inexperienced team yet took to the links to defend their Sectional championship for the seventh straight year. Anchored by tri-captains, senior Sean Pruso, Juniors Tyson Briggs and Sean Baklavas, the team braced for what could have been a disappointing season. Instead, the team stayed focused through the early going until the memorable match at Battenkill. Who would forget the "tale of the string!" Although the team met some resistance from non-league teams, they braced for their final match with Greenwich, which under the darkest of skies proved for them - victorious. Following a hear-breaking loss for the league championship, the Panthers claimed the Sectional crown by seven strokes over their nearest competitor — the Witches!

With the 2000 calendars turned, I'm excited about the closeness of competition within our own team. Many underclassmen may have early opportunities to make valuable contributions to the success of our fall season. Thanks again for a memorable year! The team went 9-2-0 leagues and 11-4-1 overall. -Coach Baratto

Football '99

The Panther Football team posted a 3-6 record. Captains Jason Fitzpatrick, Brad McGuire and Ryan Bradley rallied the team at the end of the season, to win two of the last three games, and take the #4 ranked Stillwater Warriors into overtime. Two of the three wins were decided by Brad McGuire throwing a touchdown pass on the last offensive play of the game. Other memorable moments include: "Homecoming in the mud" and the retiring of Jack Hayden's #50 jersey. Jack passed away in 1971 after suffering a spinal cord injury during a football game. His legacy has provided the past and present Panthers with a great deal of inspiration.

The 1999 offense was led by Brad McGuire (1237 yards passing/11 TD's), Josh Whalen (34 receptions/466 yards), and Ryan Garippa (21 yards/receptions, 7 TD's). The defense was anchored by Todd Burdick (98 tackles).

Varsity Boys' Basketball had one of the best seasons in their history. We finished as champions of the WASAREN League with a 13-1 record. It was the first league championship for our school since 1983-84. Our regular season record of 18-2 is the best ever, and the overall record of 20-3 is the best winning percentage ever, and the second most wins ever. The team made it to the Section 2 Class CC Championship Game at the Glens Falls Civic Center, losing a heart-breaker to Watervliet by a 37-34 score.

The team was noted for superb teamwork, excellent attitudes, and a commitment to the game. Senior tri-captain Josh Whalen had the team's season-high of 29 points at Hoosic Valley. Senior tri-captain Chris Lynch added a late-season scoring binge to his usual hard-nosed defensive game, and was named League Honorable Mention. Senior tri-captain Brad McGuire led the team in assists, rebounds, steals, and blocks and was named 1st Team League All-Star. Seniors Jason Brandi, Matt Clintsman, and Greg Restino epitomized the team-first attitude as valuable reserved and unheralded leaders. The heart and determination of the seniors will never be forgotten. They are sure to be successful in whatever they pursue after graduation Good luck guys

Sarah and Amy were selected as Tournament All-Stars in the Second Annual Hoosier Holiday Tournament, and Kiah received the Sportsmanship award. The Tri-Captains also were leading scorers for the Panthers with Sarah Vincent averaging 14 points per game. Amy Sprague and Kiah Narotski both averaged 8 points a game.

The 2000 Vagabond is finally finished! This was a very interesting year for the yearbook staff. It always seemed like we were waiting for more pictures, or someone to get a write-up done, but we managed. No one but the yearbook staff realizes how much time it takes to put a 112-page book together for publication when given a time limit. We have worked many long nights to be able to meet all of the deadlines. I personally would like to thank my staff for all of the time and dedication that they put into this project. Whenever you see one of them, please congratulate them on what a fine job they did, they will appreciate it dearly. As the year comes to an end, I would like to wish all of my classmates the best of luck in the future. Thank you to all who helped in the publication of this book. I hope you enjoy and treasure this one of a kind keepsake. — Steve Geraghty, Editor

The yearbook staff hopes you enjoy the 2000 Vagabond, and that it captures the memories of your high school days. The Vagabond staff continues to strive for excellence in student writing and coverage of student events.

The staff puts in many long days and works diligently to get the book to press. One of the first hurdles we encountered was when we were informed that the yearbook computer program could not run on our new networking system. This meant the staff had only two computers to work on. Teamwork and cooperation were our focus.

A special thank you to Editor Steve Geraghty for his commitment and leadership. His dedication to the production of the 2000 Vagabond, his guidance to the staff, and his positive attitude quickly won him respect.

To the graduating seniors, hold on to your high school memories, good luck, and remember you get out of life what you put into it. -Mrs. Douglas Yearbook Advisor

Yeah!

The HFCS Drama Club had a wonderful season under the direction of Mrs. Benoit. They took on "Grease" for the Spring and "Scrooge" for the Holiday Season. Both performances were outstanding.

Marla Fitchett and Nathan Benoit starred in "Grease" as Sandy and Danny. Sarah Shufon starred as Rizzo, Rachel Spearburg as Jan, Lynzee Finney as Frenchy, and Christina VonFricken as Marty. They put on a tremendous performance that captured the hearts of all who attended.

Seamus Nealon-McGuire brilliantly portrayed Scrooge for an excellent performance of this Charles Dickens Classic. Many special effects were used to make the performance seem more like real life.

Congratulations on a wonderful season. To all members of the Class of 2000, the Drama Club wishes you all of the best.

## Middle School

The school year 1999-2000 was a milestone for Hoosick Falls Central. The new middle school wing opened in September, and new classrooms, furniture and a computer lab awaited students in grades 5 - 8. Students also helped in the move by assisting teachers with the many tasks of moving books, equipment, etc.

Some of the highlights of the year were a trip arranged by Mr. Bauers to historical Williamsburg, a Halloween Dance, great sporting events and musical concerts.

The faculty and staff are planning a moving up dance for the eighth graders, and wish them success during their high school years.

The 1999/2000 school year saw a number of accomplishments and changes at Hoosick Falls High School.

School started a few days late in September so workers could put the finishing touches on the Middle School addition. The old "middle school corridor" became the math corridor (plus French!), but not tripping over sixth graders made it worth the wait.

Technology took center stage with two new business/computer labs, computers in the library and in every classroom. Courses were developed around the technology such as computer graphics and CAD and internet searches became an everyday occurrence. There were some terrific Powerpoint presentations and on-line testing in some classrooms.

A number of non-technology classes were added to the high school curriculum. These included photography, statistics, applied physics, sculpture and a new survival skills class. Physical education added a unit on cross-country skiing and snowshoeing.

Guidance went on-line with a new software program that allows students to investigate career interests and colleges. The software allows major positive changes to classes such as Introduction to Occupations, and makes college applications much easier.

Several new after-school activities were added to the high school: Peer Mediation, to resolve issues between students, and Mock Trial competition.

The sports program had a number of highlights:

- Boys' Varsity Soccer went undefeated and won the Wasaren League.
- Varsity Field Hockey won the league, won Class C Sectionals, won regionals, and lost in State Semi-Finals.
- Varsity Golf won the sectionals.
- Boys' Basketball won the Wasaren League and lost in Sectional Final Game.
- Shane Hathaway won Class C Wrestling Championship.

**Mr. Robert Johnson**  
*High School Principal*

All hail to thee Hoosick  
Falls, so dear to our hearts.  
Forever our praises to thee  
we impart. We sing of thy  
glory and honor so high,  
now as the colors of blue  
and white do wave on  
high. And when all our  
high school days a mem'ry  
shall be, dear Alma Mater,  
we'll sing unto thee.
