

The image features a stylized, high-contrast illustration of the Statue of Liberty. The statue is rendered in shades of blue and green, standing on a dark pedestal. It holds a torch aloft in its right hand and a tablet in its left. The background is a dark, textured field with a large, stylized American flag. The flag's stripes are red and white, and its stars are blue and white. The overall aesthetic is reminiscent of a vintage poster or a book cover.

Dedication

This year the 2002 Vagabond is dedicated to Miss Isabel McGuire. A lifetime resident of Hoosick Falls, she was editor of the yearbook and graduated in 1983 from HFCS. She went on to graduate from SUNY Potsdam four years later. She taught at St. Mary's and then came to HFCS to teach mathematics.

During school she can be found in her room teaching Course II, III, AP Calculus, or A2 math. After school you can find her working with students to help them succeed, or, if it's the 2nd Tuesday of the month, then she will be meeting with the National Honor Society.

In her spare time she tries to attend as many soccer, basketball, field hockey, baseball, and softball games as she can. Over the summer you can find her at the Town Pool teaching swimming lessons, or, life guarding. She also participates in many community endeavors.

Miss McGuire gives her time, talent and enthusiasm to help her students succeed. She is more than a teacher, she is a friend to all. For these reasons, we proudly dedicate the 2002 Vagabond to Miss McGuire.

In Memory of our Classmate Tim Cuddihy

Timmy Cuddihy was a dear friend of mine, and many others at HFCS. I don't believe I have met a person in my life with a bigger heart than Tim. He loved movies and had a great sense of humor. His favorite thing in life was Star Wars. Even though he was a connoisseur of movies and books, he still found time to hang out with me, and the short 17 years he spent on this earth has changed my life, as well as everyone who was lucky enough to have spent time with him. We will always remember him as the loving person he was, and the man he would have been.

Homecoming Week at HFCS was a memorable one. This year students showed off their best PJ's and hats. We also paid tribute to the Gods and Goddesses, Service men and women, the 80's and Hawaii. Thursday night we were treated to a stirring display of school spirit at our annual bonfire. On Friday, everyone came out and put on their blue and white for our pep rally and powder puff games. What a great week!!

Enjoying the bonfire.

SPORTS

B A S E B A L L

The 2001 Baseball Season was another solid year for "Good Old Country Hardball." They finished 10-4 in the tough WASAREN League (2nd place) and 16-8 overall. After finishing as league champs in 2000, the rest of the league came out gunning for the Panthers with their top pitchers most games. The highlight of the year came at the end when we gave eventual league champ Greenwich their only loss by a 6-1 score behind a masterful pitching performance by Junior Andrew Bushey. Seniors Josh Wysocki (honorable mention), Sean Lennon (2nd team all-league), Chris Lemoi, Tim McGuire, Sean Rooney, and Brad Colvin ended their careers on the diamond. Juniors Kevin Monahan (honorable mention), Ryan Garippa (1st team all-league), Jeff Benkoski (1st team all-league), Andrew Bushey (2nd team all-league), Dan Villarini (honorable mention), Sean Baklavas (honorable mention), Jared McGuire, and sophomore Ben Bushey form the nucleus of a solid team for 2002. Ryan Garippa led the team with a 6-2 record with 1 save and also had team-highs in batting average (.483) and runs scored (35). Kevin Monahan led the team with 30 hits and 16 stolen bases while Andrew Bushey had a team-high 27 RBI's and Ben Bushey had a high of 5 home runs. Sean Baklavas was a surprise on the mound going 6-0 with a 1.81 ERA. The team had a fun time on an overnight trip to Oneonta to play a team from Staten Island at Damaske Field (home of the Tigers Double A affiliate). -Mr. Lilac

Varsity Softball enjoyed another successful season. Although we lost 7 starters from the previous year, the team ended up with a 12-2 league win-loss record, with one loss being a 1-0 extra inning loss to Schuylerville. The team got an invitation to the Uncle Sam Tournament in Troy, finishing second to Lansingburgh, beating Catholic Central for the first time in 6 tries. The girls beat Mt. Anthony in the first round of the MAU Tournament before falling to Brattleboro in the finals. In the first round of sectionals, Hoosick Falls took a 1-0 lead into the seventh-inning before losing the game 2-1. Andrea Weeden led the way from the mound with a 13-5 record and a 1.80 ERA. Weeden led in batting average, hitting .506, while Stephanie Zakrzewski and Weeden each drove in 21 runs. Stephanie Corey smacked 2 home runs, Weeden had 3 triples, and Zakrzewski, Angela Cottrell, and Jenna Bushey had 3 doubles apiece. Sarah Burgess had 3 runs scored trailing only Weeden's 29. Bushey helped on the mound going 2-2 for the year. Weeden was a first team all-league performer while also being selected as a Section 2 all-star and a second team all-area selection.

The 2001-2002 team staked a claim as one of the best teams in HFCS history. They were the WASAREN League Champions with a record of 13-1 and their overall record of 21-2 was one win shy of the school record. Senior forward Andrew Bushey was voted by the league coaches as MVP of the WASAREN League. 1st team league all-stars were Seniors Ryan Garippa (also team captain) and Sean Graney, Senior Dan Villarini was named to the 2nd team, while Senior Jared McGuire and Junior Ben Bushey were honorable mention. The scoring leaders were Graney (12.8), A. Bushey (11.9), and Garippa (11.1), who all started along with McGuire and Villarini. Sean Graney led the team in assists while A. Bushey was the leader in rebounds and charges drawn. Garippa was the steals leader while Villarini and McGuire tied for the lead in blocked shots. Graney tied a school record with 60 threes made in a season while Garippa set a new school record for threes made in a career. They each tied a school record by hitting 8 threes in a single game. Seniors Lucas Wyman, Kevin Monahan, and Sean Bakalvas played key roles off the bench all year. Ben Bushey was invaluable as the 6th man. Others Juniors on the team who will be needed to fill in the gaps next year and carry on the tradition of excellence are Jay LaRoche, Wally Sheffer, and Richard Hunt. The team also won the Mechanicville Tip-Off Tournament and our own Hoosier Holiday Tournament. The season ended with a heartbreaking loss in the Section 2 Class CC Championship to Watervliet by a 51-45 score. Garippa and A. Bushey were named to the sectional all-tournament team. The team had a 2-year record of 24-4 league and 38-7 overall, which is the best 2-year span ever at HFCS. Garippa, A. Bushey, and Villarini were 3-year starters whose record for those was 37-5 League and 58-10 overall, which is the best 3-year span ever at HFCS. They had two 20-win seasons. Before that, there were only 2 other 20-win seasons ever.

What makes a yearbook?

Webster's Dictionary defines yearbook as a book in which memories of school years are kept. But, does Webster know what really goes into the Hoosick Falls Central School Vagabond?

Every year members of our student body accept the call to be part of the yearbook staff. Most of the year you can find us huddled around the three back computers in room 210 designing pages, looking at pictures, and sticking labels. Words like pica, cropping, F2 and F3, and 79010 become part of everyday life. You can imagine our gratification (and relief) when we send out pages to Taylor Publishing Company in Texas.

The Vagabond is 112 pages of hardwork, sweat, and fun. I know that people will complain about the price, or the pictures, but isn't it worth it? In 10 years you will take this book out and remember days gone by, friendships lost, and wonderful memories. To us, the Vagabond is a tremendous accomplishment and we hope that you enjoy it.

Caring,
our way
of life.

Over the past year, the Key Club has grown to over 25 members. From highway cleanups to Adopt-a-Grandparent, from Halloween carnivals to candygrams, this group has done a great job of caring for other people and the environment. I will greatly miss Key Club, but I am confident that next year's officers will do a great job leading the club into another successful year. Good luck with next year's projects!

Looking Back at the Last Year...

The Tragedy of September 11

The nation was in total shock and disbelief as we watched in horror as three planes would be flown into buildings and one would crash in Pennsylvania.

We watched the Twin Towers fall like two child's toys in the center of Manhattan. We saw the central headquarters of our military shaken to the core. When all was said and done, we were left to pick up the pieces of buildings and over 5,000 bodies.

Senator Jim Jeffords decided to change his party allegiance from Republican to Independent. His stated reason was to better represent the people of his home State of Vermont. When Jeffords was Republican, he kept the majority for the Senate. Now there is a fifty-fifty split of the congressional house.

A woman by the name of Chandra Levey turned up missing on April 30th 2001. She was interning for Senator Gary Condit and it was believed that the senator may have been responsible for her disappearance. Ms. Levey has not yet been found.

Many American troops were sent to Afghanistan after the 9/11 tragedy to eliminate the terrorist group Al-Qaeda and the Taliban. We have been successful thus far and managed to keep casualties down for ourselves and clearing out Afghanistan of terrorists.

Our current president George W. Bush somehow managed to choke himself with a pretzel during a football game. He was only mildly injured with a bruise on his forehead to remind him to chew, then swallow.

Science and Technology

The Microsoft Corporation released a new console for video gamers that was the most highly advanced system to feature games. They called this incredible piece of technology the X-Box. Nintendo tried to do the same thing, but they had to settle on the Gamecube.

Microsoft

President Bush signed a bill to permit the use of stem cell research on laboratories across the nation. This research could be highly beneficial to people with certain neurological disorders.

Airports are learning to step it up a notch when it comes to security. Lines have become the norm at most major airports.

This year two very unexpected bankruptcies occurred in two large corporations. The department store K-Mart declared bankruptcy but continues to keep many of its stores open and advertises regularly. However the Enron Corporation was a scandal due to the fact that its top employees doctored records to sell all of their stock before making the declaration. There is a Senate investigation currently underway to decide with which crimes these employees will be charged.

v2002

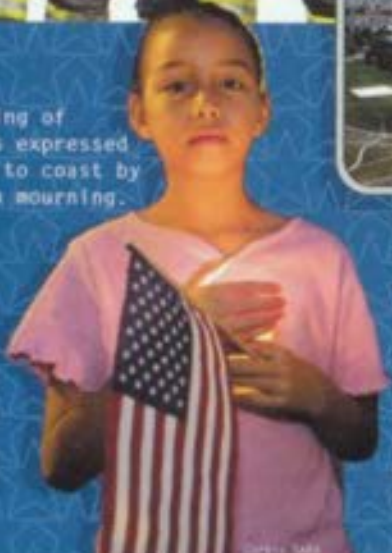

< Stealing much of the headlines were the events on and after Sept. 11th. More than 3,000 people lost their lives at the twin towers of the World Trade Center, the Pentagon and aboard the four hijacked commercial airliners. Also getting the spotlight were the rescue workers and volunteers who were recognized by all Americans as heroes. Sadly, it also marked the end of R&B sensation Aaliyah, another one of the Beatles' fab four, George Harrison, and legendary comedian, Jack Lemmon. <

VIGILS

An outpouring of emotion was expressed from coast to coast by a nation in mourning.

RUDY GIULIANI
The NYC Mayor's words and actions were a pillar of strength in a time of crisis.

FUND-RAISING

Our nation's youth displayed to the world their patriotism and compassion by donating blood and raising monetary contributions in a number of creative ways for the victims and their families.

< After Sept. 11, sitcoms offered plenty of laughs. "Undeclared" centered on quirky college roommates faced with the freedoms of being away from home for the first time. The bewitching comedy, "Sabrina," conjured up strange changes as she became a college sophomore. "Gilmore Girls" explored the odd relationship between a mom with a heart of a teenager and a teenage daughter that acts like an adult. "Angel" used its dark humor to reveal the twists and turns of a vampire avenger in L.A. <

> NEW SITCOMS > "Scrubs" puts a wildly inventive and hilarious spin on hospital life. Instead of assaulting viewers with jokes, "Bernie Mac's" life unravels in unexpected, offbeat ways while he raises his sister's kids. Parenthood will never be the same.<

< As with everything else, it was a strange year for music. How else can you describe the success of the soundtrack "O Brother, Where Art Thou?" and Michael Jackson's less than "Invincible" return as the King of Pop? But that didn't stop 'N Sync, Britney Spears, Usher and the like from commanding the airwaves. Country music got a kick from Tim McGraw who was named CMA Entertainer of the Year, while ears couldn't get enough of newcomer Alicia Keys' "Songs In A Mirror." >

> O-TOWN >

Selected from nearly 2,000 hopefuls, this boy band lived out their musical dreams before the eyes of millions of viewers in the reality show, "Making The Band." Making it big after a hit single, "Liquid Dreams."

< It was another blockbuster year in Hollywood. "Pearl Harbor's" stunning special effects were a big hit. Singer Mandy Moore teamed up with Shane West in a sweet, idealistic love story that brings out the young romantic in everyone. Speaking of true love, young and old fell head over heels for "Shrek." Also in the field of computer-generated optical illusion, "Final Fantasy" proved to be another artistic masterpiece. In contrast, Angelina Jolie brought the video game "Tomb Raider" to life, transforming into the tough archaeologist/adventurer Lara Croft. <

Tolkien's epic of good against evil brought beauty, awe and adventure to the big screen. Starring Elijah Wood and Liv Tyler, the film lived up to its hype winning audiences over, as well as critics.

< What were the haute fashion trends? For starters, low-rise jeans were in. And credit Madonna for causing people to switch from the baseball cap to the tattered, straw cowboy hat. The look changed after Sept. 11. People showed their true colors with the return of Old Glory and by wearing "I Love NY" t-shirts. The hair: rough, tumbled and tousled emerged to contrast elegant styles for a balanced look. For zooming around, let's not forget the shoes. >

Winter Olympics

The world's best assembled to compete at Salt Lake City. New events included the skeleton, where athletes steered their sleds headfirst. Women's bobsleigh was also seen for the first time. Five events were even added to nordic combined and shortened from two-day to one-day races. Plus, the 1500-meter short-track speed skating was unveiled. In snowboarding, the giant slalom was replaced by the parallel giant slalom as snowboarders raced head-2-head in a single-elimination format.

<MICHELLE KWAN <As four-time World Champion, six-time National Champion and Olympic silver medalist, Kwan puts her best skate forward, combining technical skill with artistry and grace, as she set her sights on the gold.

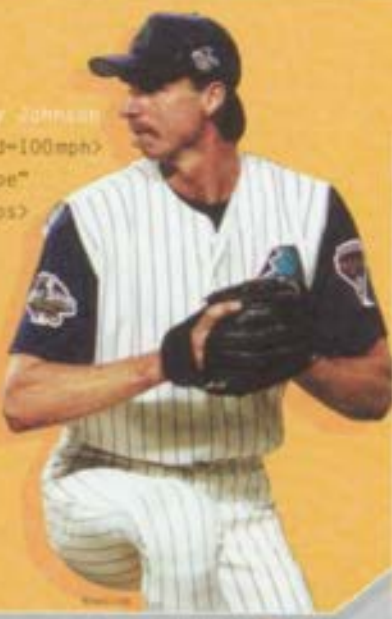

> Recapping a few sports highlights: the thrill of getting a 22-year monkey off Ray Bourque's back made the Avs' 3-1 championship victory over the Devils extra sweet. And let's not forget the World Series where the Dbacks (after losing two dramatic games in extra innings to the Yankees) claimed the championship with a 3-2 win in game seven. His Airness also returned to the hardwood, this time sporting 23 on a Wizards' jersey during the 2002 All-Star Game.<

<SUPER BOWL XXXVI <The preseason favorite Rams with their high-powered offense and revamped defense clashed with the underdog Patriots lead by football masterwind, coach Belichick. The outcome: 20 to 17 with the New England Patriots kicking the game-winning field goal as time expired.

>X-GAMES >Are these dudes nuts, or what? X-treme athletes performed daunting, gravity-defying moves. Adults watching ESPN hoped their kids never try this at home.
