Thank you, Mr. Stephen Johnson!

The 2004 Vagabond is proudly dedicated to Stephen Johnson. Mr. Johnson was born in Brooklyn, New York and graduated from West Islip High School in 1966. His college years were spent at SUNY Oneonta where he studied education and American history. He was a member of the college swim team, and it was at Oneonta where he met his wife, the former Barbara Sausville.

After graduating from SUNY Oneonta in May 1970, and getting married in August of the same year, Steve and Barbara accepted teaching positions at Camden Central School in central New York.

In 1975 Steve became the proud father of Elizabeth Emily, and in 1977 it was a repeat performance when his second daughter Anne Catherine was born.

In 1977 Steve received a Master of Science in Education from SUNY Oswego and by 1982 he had earned a Certificate of Advanced Study with a certification as School District Administrator also from SUNY Oswego.

Over the years Steve spent many vacations and holidays with Barbara's family in Hoosick Falls. He always loved the area and thought of it as his own "hometown." When Mr. Stempek retired in 1984, Steve immediately applied for the elementary principal position and was thrilled when offered the job. From then, until now, Steve has thoroughly enjoyed living and working in Hoosick Falls. He is active in the community and enjoys being an officer in the Town of Hoosick Lions Club. He is also an avid racquetball player and an American history buff.

The Class of 2004 thanks him, for being our principal during our early years, and for the excellent reputation he has established for the elementary school.

To the Class of 2004,

It has been a pleasure to work with you over the last four years, watch you grow, and become the great group of students that you are.

When Mrs. Bastian moved away three years ago, she asked me to stick with you because she knew you would all live up to your potential. She was right, and she would be so proud of you today. I am proud of you today.

Good luck to all of you on your future endeavors, and thank you for letting me be a part of it all with you.

SKITS

Class of 2004 Scores Big with Senior Skits

The annual senior skits were played to a packed house. With a new mixture of comedy, music, and performing arts, these skits were well received by all. From "The Man Show" to "STOMP," students and teachers alike were impressed by the show put on by the Class of 2004. With the occasional innuendo and always-comic dialogue, the senior class began the Christmas break with laughter and entertainment.

An Historic Season

It was a year of backbreaking defeats, a whirlwind of injuries, and dominating victories...the only difference was the mighty Panthers were the ones dishing out the onslaught. This year the Panthers were practicing in the icy snow of November. The coaches of the Varsity football team had eyed this group of kids since they were in 5th grade; this was to be their year...and it was. The 2003 Varsity team, with their celebrated road to the **Syracuse Dome**, surpassed the legendary team of '81. When the team met in August, team spirit was on the rise and there was a thirst for victory in the air. During the first two games (Schuylerville and Stillwater) the Panthers tried to find their rhythm. For the next 5 weeks, the Panthers would claw through their regular season opponents. What was said to be their first test was a blowout as they demolished Mechanicville 51-0. With this dream team of players, under Head Coach Ron Jones, came the introduction and definition of physical football. This brand of football left the opponents icing their wounds, and 4 of the games with a team not entering a touchdown. The Panther squad rolled up an undefeated league season as they beat Greenwich 41-7. This hurdled the Panthers into Sectionals. After their first sectional win over Corinth, the Panthers were faced with an ultimatum due to torrential rain fall-play your last game on your field if you can get it cleared by the end of the day, or use some other team's field. Like the united team they are on the field, the Panthers worked on the field and later that night kept the Chatham Panthers from even entering Jack Hayden's end zone. This win led the Panthers to the Sectional Championship against Watervliet. Although Hoosick Falls came out to a sluggish start, they returned in the second half with 28 unanswered points-winning the game 35-14. The rest of the year would be icing on the cake. With wins over Tupper Lake (21-14) and Dobbs Ferry (14-6), the 2003 Panthers surpassed any other team in school history with a trip to the State Championship for Class C. Although the Panthers lost a tearful bout with Caledonia-Mumford (30-26), their season showed the true meaning of reaching a goal and the undenyng spirit of many athletes working as one team for one purpose.

Down with a Fight!

The Boys' Varsity Soccer team ended with a successful season. They finished second in the Wasaren League and had an overall season of 12-6. For the sixth straight year, they advanced to the sectionals.

Sophomore Tony Martinez had two hat tricks and was tied for leading scorer in the league with 18 goals, while Brandon Dean had 11, with 3 of them coming in critical positions for game winners.

The year was full of bumps and bruises, Mike Weeden, Chris Wood, Lukas Gaucher, and Jay Teker all sustained injuries. Mike was injured all season, but played his best every game.

The team continued the winning tradition that started in 1988. Good luck to seniors Jay Teker, JT Allen, Jeremy Crucetti, Dan Wyman, Andy Brandt, Mike Weeden, Brandon Dean, Kurt Hassenpflug, Chris Wood, Devin Prendergast, Mark Lefler, and Matt Gleason.

Out of uniform.

The 2003 Varsity Girls' Soccer team can be summed up in one word... team. We were the team who stuck together through the wins and losses on the field, and through the ups and downs off the field as well. The winning games will always be remembered, but even more important will be the friendships formed.

The highlight of our season came when the Lady Panthers broke Tamarac's undefeated streak. We became the only team to defeat Tamarac in league play. Our winning season came to an end when we were defeated in the sectional semi-finals.

Good luck to our six seniors. You will be greatly missed.

Good Old Country Hardball

The 2003 version of "Good Old Country Hardball" was another successful season. The team went 8-4 in the Wasaren league (3rd Place), two games behind league champion Stillwater. Overall the record was 12-9. The season ended with a heart-breaking loss to Stillwater in the sectional semi-finals by a 6-5 score. Hoosick Falls held a 6-2 lead after 5 innings and looked to be on the verge of pulling off the upset.

The team received many individual honors: Senior Captain Ben Bushey and Juniors Chad Wysocki and Billy Nash were named 1st team WASAREN League All-Stars. Juniors Bill Hyde, Jim Weeden, and Ryan Yetto, and Sophomore Kenny Bulson and Timmy Bornt were all given Honorable Mention status. The team enjoyed many highlights on the season including: beating league champion Stillwater 3-1 at their place behind a complete game by pitcher Billy Nash; Ben Bushey turning in one of the best seasons ever at Hoosick Falls (.400 BA, .530 on base%, 2 mammoth homeruns at Mt. Anthony); and an overnight trip to Cooperstown for an exhibition game at Doubleday Field.

With many underclassmen returning, the future looks bright for the baseball team to continue running.

The Varsity Golf Team finished the season with a league record of 3-9 and overall record of 3-11. The team was very young and inexperienced after losing six players to graduation. With eleven new members on the team, we had a lot of players who were willing to learn the game and work very hard on their game throughout the season. We have a lot of potential for years to come as we build season by season. The team was led by freshman, Josh Magisano, who qualified for the Section II C-D Tournament for the first time and gained some great experience. Other key players who showed a lot of determination to work on their game and got some valuable varsity match experience were: Chris Ryan, Andrew Morin, Ted Stickney, Alex Thomson, and Brett Patten. The rest of the newcomers to the team this year who worked very hard were: Ed Bouplon, Billy Redick, Corey Callahan, Justin Carter, Ryan Gates, Kevin Gorman, Zach Hall, Nick Hunt, and Ethan Myers.

2003-2004 - Frustrating but Exciting Season

The 2003-2004 version of Hoosier Basketball was a frustrating, yet exciting season. The team went 8-6 in the WASAREN League (4th place) and overall the record was 11-10. The season ended with a heart-breaking loss to Corinth in the first round of the sectionals by a score of 41-39.

The team enjoyed many highlights during the season including: beating Mechanicville in the opening game of their tip-off tournament with only 7 players available due to the football team playing in the state championship game over Thanksgiving break; winning our own Hoosier Holiday Tournament (we have never lost a game in our tournament); taking league and Secion 2 Class B champion Schuylerville into overtime before losing an exciting game at home.

Individual Honors

Senior Captain **Devin Taft** (14.9 ppg) was named as a 1st Team WASAREN League All-Star. Seniors **Kevin Narotski** (12.1 ppg) and **Nate Stroffoleno** (11.7 ppg) were named to the 2nd Team. Seniors **Chad Wysocki** (team leader in charges drawn) and 6th man **Nick Madison** and Junior center **Eric Hanlon** were giving Honorable Mention status.

Future Looks Bright for Next Season

With 6 underclassment returning and solid players moving up from a JV team that went 14-6, the future looks bright for HFCS Boys' Basketball.

NHS SERVES GREATER HOOSICK COMMUNITY AND HFCS STUDENTS

The members of the NHS continue with the many fine projects that benefit the community and student body. Once again, NHS students joined Advisor Ms. McGuire to participate in the clean-up of the Castle at the Town Park as well as the community-wide cleanup in May.

During the school year, members assist students needing tutoring. NHS students give up their own study halls to help those who need help with their school work.

The Annual Christmas Wish continues to be an overwhelming success, and exemplifies the National Honor Society's commitment to service.

Annie receives an A+

In the Fall of 2003, the Drama Club presented "Annie Jr." for the second time. Many cast members were orphans in the 1998 performance of "Annie." The Drama Club produced a new and exciting rendition of the play. "Annie Jr." ran for two weeks with a cast and crew that exceeded 50 students.

The play was a hit with the audiences' and the energetic cast received standing ovations. Reviews by young and old alike applauded the outstanding acting and signing of the cast.

Great job, cast members. We look forward to your next performance.
