I guess this is it. The session to end all sessions. Alex- Mr. Perfect, The untouchable, I'll catch you at Cornell next year. Mariano- The hustla, have fun, stay warm, stay young, and stay at the Beach; I'll see you there. Joel-Ras, "Ox", Wham? Remember getting destroyed in every Dreamcast game there was? Your record is 4-1. Kyra C-Bear- I ain't mad at you love, but don't forget about me, this year was cool, right? The one who kept me cool through much of the chaos. You could've been the one, that's real. -To my Mother, Grandmother and Aunt, you have stuck by me and allowed me to accomplish what I have. You are appreciated.

I leave you a lyrical poem- Now that I'm off/ Moving at the speed of light/ My destination/ Everything I want in my life/ No one showed me a sign/ It's all due to my state of mind/ No more guessing/ Savoring every second of time/ My words spread/ Hope they manifest like disease/ As words to grow on/ May you all grow like trees/ And come away with a better definition of me/ That's crystal clear/ I'm being real/ 'Cause reals the only way to be/ Under control/ Of when and where I reach my goal/ And to all the haters/ Equivalent to the fish in the sea/ Stare into the bright lights/ That's where you can find me.-One(Love)

I wanted my senior page to be dedicated to all the people who helped me graduate and I had one made, I thanked each and every person in some individual way, but it would end up driving me nuts saying "thank you" three hundred times. It was actually by coincidence that I came to Hoosac, but it certainly was the best mistake I ever made. One thing though, I still think we should be allowed to go to Mobile when we want and should be allowed to smoke cigarettes, but I'm leaving so now I can do that.

Here's a small list of people that I owe my love and loyalty to:

Mom: Thanks for pushing and nagging, telling me to perk up. Thank you for your strength and support. I love you.

Dad: Thank you for guiding me and for always telling me to think twice. Thanks for listening. I love you.

James: Thanks for calling and telling me how things at home were.

Grandma and Momo: Thank you for all the wise advice.

Mara: I don't have room on this page to write what I really feel, but I know that you know. Whatever happens, no regrets.

Rosie: You know who you are. You know I love you. Call me. Thank you for listening. "Girlpower, um feminisime, yada, yada..."

Naomi: You know red is a provocative color!

McBride: Good Luck.

Max: Forgive me, a bend in the road isn't the end of the road, unless you fail to make a turn!

Erica: I love you.

Josh: How about that Chinese?

Christine: Keep cool, Go surf!

C.C.: Thank you, never stop writing, right?

Mr. L.: Now I go back to Sweden!

Thank you mom and Ray for all of the support you have given me. My dreams would have never come true without you. My life at Hoosac would never have been so easy especially without Mr. and Mrs. Spahn, Mr. Foster, Mr. Thompson, Ms. Macri, and all of the faculty that has been a part of my life in the community.

Thank you: Carlo, Brian, T-bo, Stavros, Jordan (Idaho), Yuti, and Jacques for the great times we've had over this year. Without you, it would have never been so much fun.

Brian Jackson-Prophete

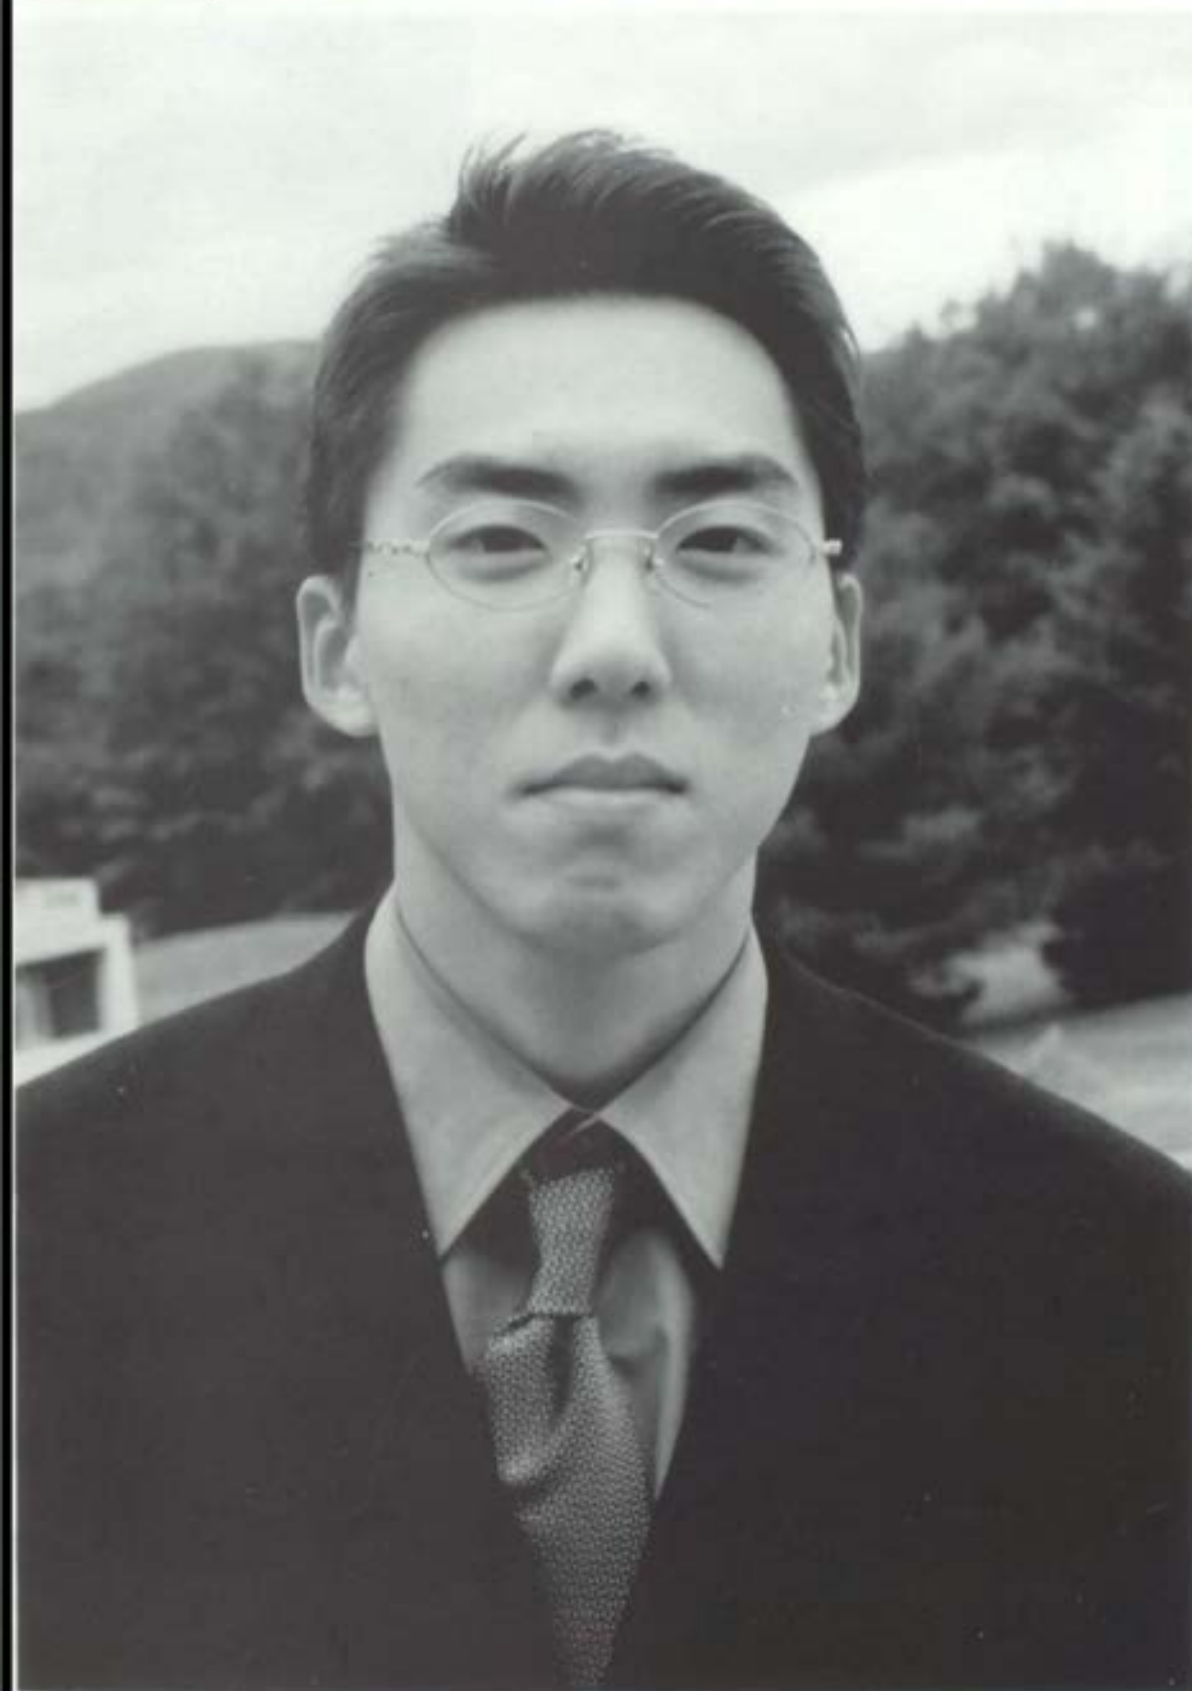

Well, Mom & Dad, I did it! All the blood, sweat, tears, and struggle, I came through it. Thank you! Everyone can say, we're done, but for me its the beginning of my life alone; just as settlers, they founded this country away from the British. Now its time for me to start my life, with the principles and rules that will help me get through the rest of my life.

My thanks to Ms. D.A. Sweeney for showing me new ways and means for situations. Ms. Macri for the knowledge I need to know and for being there for me. Mr. Spahn for showing me the fundamentals of math. To all my people that have been there for me; y'all know who you are. To Cindy R., my little sister, always keep your head high and remember that action speaks louder than words. For everyone I know at Hoosac, you can say a billion times, "I am going to do something," but it will never happen unless you make the effort. Your words do not mean anything to someone you don't know, only your actions. Also, to those who know me well, know I'm not a religious person but my Grandma read the Psalms to me and they made sense in a philosophical way. The Psalms are 3, 27, and 77.

To Cindy R.: Read these everytime when you are discouraged.

To everyone I know well, remember this: Never depend on anyone, always be independent because you will be better off. These are my words of wisdom to those who want to take it. Don't forget, action speaks louder than words!

"God bless our family."

My love, Yoon-hee (Chung): What's up, honey? Now we are having a hard time. And also, I made very difficult times for you. My loving parents: I have been working hard for Jae-Sung and me for 7 years now. I really do like to thank you both for everything! I'll do my best to build more character and be responsible for every action I make. I have so much to tell and talk to you, but please wait til we go back to our home; Seoul, Korea. I love both of you so much....

My loving brother: Hyoung, now its my turn to graduate! I know my result was not better than you even though I was so sure... I am a spoiled kid just as you said to me before...But...we could do a lot better if we just realize what we are missing, right? Also, I am so glad that we talked and finally met peace between us. I hope our brotherhood continues just as now. I care and love you, my only brother Jae-Sung e hyoung!!!

Mr. L.: 4 years! 4 years in Hoosac Mr. L.! Wow.. I still remember the first time I lived in Lavino. I know I couldn't survive at Hoosac without you. I can graduate because of you. I also learned how to forgive people from you. You always have been my dorm parent, Mr. L. Thanks for everything...

Hyoung-Uk: Ya! We are no more 'go-ppi-ri!' Aren't you happy man? No need to worry about high school problems. When I was having trouble with people in our school, you were there for me and you showed me the truth. Congratulations on your college acceptances. Keep in touch and I will see you in Seoul...

Shin Rhee: Senior Prefect!!! Wow, I never thought... Shin you did it man!!! Now you have to think about how to be a respected Korean leader. I know you will do the best of everything. If there are any kinds of problems that need to be solved by me, call me anytime. I'll come visit you at Yule Log and take care of yourself.

Jung-Pil: Pooh! It's time for you to do what ever you desire to do. You don't need to really worry about other people; people who don't worry or care about you. I know you can become a much better person if you just focus on your future. I'm glad we became close friends. Let's wild out in Seoul!!!

Ji-Hong: You did it Ji-Hong...you got into a good college. I am proud of you. I hope you will become a famous fashion designer and you'll make my suit for free (you better). Stop drinking and say hello to your new life. You know my number to call, so call me anytime.

Ji-Yong: Dr. Kim!!! Be good next year and help Shin to lead the Koreans as a straight way. You better stop playing video games and get ready for college as soon as possible. I want you to get into a good college. We all are glad you came to Hoosac and became our friend. Have fun in the summer.

SH: 'e-ssae-ki'...Fake Lavino boy who moved up to Pitt so you can sit on the bench during the hockey game. But, I had fun being with you when you lived in Lavino. Remember, you are going to be 81's right arm next year so don't let your mind set free. You have a heavy job next year. You know what I mean...

Sung-Joo: You are so nice! That's good, but don't let people use you. I know you will do well next year even though you are moving schools. Call me at Seoul, I'll take you around. Stay nice.

DJ Lim: Summer! It's summer time and you will get to see Miss. Summer...I wish you and summer's relationship work out fine. We had fun when you used to visit me and play Korean card game 'go-stop.' See me in Seoul.

Aram: Arama...You need to grow up more you little girl. I've never seen an innocent girl like you. If I go to Pusan, I'll make sure I call you, so when you come to Seoul, don't be shy to call me. Keep playing 'gong-ki.'

Jina: e-e! im-ma! I thought you wanted to talk to me about something before I graduated. Don't take too long I am losing interest about your talk. Next year, try to be calm and try not to love everyone (nong-dam!) I have known you for a couple of months but I feel comfortable talking to you and I had fun being with you. Keep in touch girl...

Han: Han... be mature and start to learn how to have manship. You are like little girl now. I'm sure Shin and Ji-Yong will keep you out next year, so don't worry too much. Lavino...

Mariano: You little Brazilian! You, Alex, and I have been at Hoosac for a long 4 years. And finally time has come. We are out! How could I forget the trips we have made the last two years. Of course I won't forget you, you little crazy Brazilian. I'll visit you and Brazil, so get ready to meet.

Alex: I won't forget your attitude and the times we had fun. Too bad I didn't fly over to Mexico and see whats up down in Mexico. I can't wait to get out of here just like you. You better see me in Seoul too, Laskovski. Parties in Seoul will never let you down. Write emails to me, we'll keep in touch.

Eric: Yo Paco! Tiger met Bronx, so you need to meet Seoul. I know you never traveled out of the states and I want you to visit Seoul, Korea for your first travel. Stay safe next year and don't mess with Mr. L. That's my advice to you. I got all your numbers and so do you. Use it punk.

Darryl: You are awesome at basketball and I give you the Hope you play as a starting point guard in college. I gave you my email and I've got yours. So we both know what we have to do with our email address. Hope I see you in NY and have phat time. Peace! yo-yoohi said so...

Ron: Ronny G! I can't believe you are going to Cali. You're gonna have so much fun, I can see you in a club and just wild out. Whatever you do, just be careful and keep in touch. You better visit me in Seoul too.

Mr. Moss: I can call your name Ben now, right? Ben, let me tell you something. You are a great computer art teacher. I'm glad I have seen some of your computer art. You also tried to let seniors have fun in the dorm and I thank you for that. Thank you for taking Lavino to Montreal. I had so much fun. I'll see you next year.

Mom and Dad: Thanks for putting up with me. It means a lot to me knowing that you'll always be there for me when you can.

Jay: We've made it through the hard part: the phone calls, the short visits. I couldn't have accomplished so many things without you. You have made me appreciate so much. Thank you for waiting. I love you.

To everyone else who counts:

Think about this: it could've been worse. By the time you read this we will have moved on with our lives and Hoosac will just be memories....Good luck, and remember that in life, nothing matters if you don't keep it real.

Ron Rogers

Mom and Dad, I love you guys so much! Thanks for being there in the good and bad times! Putting up with me for 20 years and I know its not been easy. You are the reason that I have made it through this wild ride. I LOVE YOU! Cindy, there is so much to say, we had many good times. You are a blessing from God, that helped me get through. I will never forget the long weekends and the vacation we spent together. Remember when you kissed me on the basketball court after we played the last game. I Love you so so much. You showed me what love really is, and it's not just a word. Baby, I will always love you and will always be thinking about you until the day I die. Also, remember the 3rd weekend in March. Baby, I could give you 64 reasons why I love you, but I think I said them all, so I will just say, Te amo mucho Cindy Cruz! P.S. You know you will always be right. When you see the sun set, thats when I am thinking about you. I love you very much, baby.

Carla: Yo, I almost forgot. Carla, you have been with me all my life, you have stuck up for me and held me down in the toughest times! I love you sis. Remember, me coming to U.D. getting off the hook? Yo, we got the summer to chill.

Lavino: Yo what can I say? Anyway, we all had mad good times together. Remember winning the super bowl?

DVS: Yo my dog. Boston and Jersey N's as WOW you want the room at 9:00. We had some good times chillin in Jersey, or just chillin in the room playing video games, but you could never beat me! (NBA 2K) Yo, you know we got to get up with each other this year, so call a brother! I got the title.

Joel: Ras, I have already said some of the times we had, but, thanks. See you when I come to Trinidad.

Yo Eric, hold Lavino down. Thanks in so many ways. I got you on Wednesday, don't worry.

Alex: Yo, don't stop being who you are kid.

Mike: Yo, thanks for all the long talks we had. You kept me up when I had problems.

Prof: Thanks for the CD's.

To my parents: I guess this will be the time to wait for you more than you expected from me up to now. And also this will be the time for me standing alone in the real world again. Now I can realize how much you love me and all the hard times you had to overcome to support me. Now I can give you my word, I will be the most proud man in the real world and the most proud son in the family. I love you more than you love me. Thank you.

To Uncle and Aunt (my second parents): Finally I finished the first step of my life. You were just like my parents. Thank you for caring about me and all of your support. My accomplishments are all yours. And I will remember all the hard times as your pleasure for me. I really really love you both with all of my heart. I am sorry and Jin sim e lo kaw sa ham ni da.

Joon: I still don't know whether I can say I made it or not. Over three years in Hoosac was not enough to make me happy when I leave here. But you were always with me when I was alone and I couldn't do anything without you. As you told me a long time ago, I won't forget either that I was one of the Hoosac people and part of our memory of Hoosac. ge li gu, nu mi nu mu kam sa de lim ni da, Sa lang ham ni da hyung.

Ja-Hoon: Hi Mal Hyung. I know this word is just sick to you. But it's the only word I can say, isn't it? This was just too hard for me to wait this way. I really thank you for understanding me and trusting me more than I trust you. I will always be with you as you are always with me. Hoosac forever!!!

Eun Ho: Thank you for all the advice. You are the only my Sun bae, I can get close to with comfort.

Ji Hong: Four years, buddy. Not very short, but not very long. I won't forget the time we stick together. There are too many memories that we can't bring out of this school but I am sure that the rest of them will be in Hoosac forever for us, right? Just don't forget, wherever you go, we are friends. Friendship in Hoosac was so strong as we love each other.

Shin Rhee: Because we know too much about each other, it is just too hard for me to leave you behind. The time we spent together was the biggest precious gift to me in my life. You're now the leader of the Hoosac community. You have to be proud of yourself what you have now and what you have done. Try to stay in right track. Whenever you have a hard time next year, I hope that our memory in Hoosac will keep you in your own way where we always were together before.

Hyung Wook: Yul lak jam Ha ja. Bu tak i da!!! What a long trip we had together, and now this is time to finish it. I want to say thank you for being my great and trustful friend. I never regret my decision that we had talked about the other night, you know what I mean. And sorry I couldn't have much time with you. Passing by the hard times in the last four weeks of school, I really thank you for understanding me and trusting me. Let's keep it real all the time we spent together at Hoosac.

Jae Yoon (Mike): You have to find where you are supposed to be. You have to know what you have to do. As I told you before, you have to be a Jae Yoon who was my real friend, not a Mike the one who I taught before. You have to be aware and have to overcome all the hills which will be in front of you. And I will too. Let's try to be number one to make our dreams come true. Stay in touch and I will see you soon. Dae chi pa!!!!

Ji Yong: (kun Bak-sa) We share a lot of things and could have a short and deepest memory. You were the luckiest guy since you got into Hoosac because we met each other. Be good for yourself and good luck in college. Peace.

Sung Hoon: I hoped that you understood me what I have done to you these three weeks. You have to see where you are now. Make your own life, you know what I mean, right? All my world that I gave to you I want you to keep them in your heart and memory of me and you. Be real man for yourself and remember our beautiful memory which will remain forever.

Sung Ju: Our time in Hoosac was not bad, right? Remember last night what I told you under the tree? I trust that you will make it happen, everything you want, wherever you go. You were one of the Hoosac members and be proud of it. I am really sorry that I couldn't always be there where you want me to be. Be strong and be a real man like you learned from Hoosac. Good luck in the rest of your academic years.

Dong-Jin: You are my Big Dong sang, right? I really do appreciate that you always were with me like a real friend. The time you read this you will not be with me or any of Hoosac members. But wherever you go, show something to other people that you were a Hoosac member and what you got from us. Be successful and you got to know it always will take some time what you want to be. Remember that I really love you and take care of you even with my heart.

Aram Yoon: oppa da. Now you realize how much I loved you and I took care of you. You were the only one who trusted and listened to me. But I couldn't do anything for you. But I want you to remember that all of senior oppa really love you and you're our most sweet memory of Hoosac. I'll always be there for you whenever you need me. Good luck and don't forget that you promised with me and all of oppa who loves you. Keep your lovely smile and I promise that I'll visit you soon. Now I can say to you, 'Good Bye.' I si te ru

Jin Young (Jina): What a hard time we had, right? But everything I told you was just for you and yourself. This will be the time where you have to realize where you have to be and what you have to do. If you have a hard time next year, remember there was a guy who really loved you as I told you before. I really want to make your dreams come true which you told me last time. Even if I am writing to you, I am really worrying about you. Don't let your own emotion out of your mind too much. This is the only advice I can give you. Stay out of trouble. There is always something that you can not do even if you want to. Have fun next year and I will see you soon. I was always fair!! Trust me.

Han: CRAZY HAN. I am sorry about everything that I've done to you and couldn't take care of you. Act like a man and stop lying. Do not forget me and all of the Hoosac members. I'll see you in Korea.

Jeff: Wassup, buddy. We were much too creative!!! Right? You need to stay out of your best friend. That guy is just too dangerous. You were my best American friend and the only one I can talk with. Have fun and I really hope to see your newspaper someday!!

Curly: Wake up. Our life of Wood Hall was not bad. Too much fun. Let's keep in touch and I want to say thanks to you and Jeff for keeping me insane the last four weeks. Bye Mr. Martin: What am I going to do without you? Thank you for your help and I am sorry about breaking the promise all the time. I won't forget you. Thank you.

Mrs. Klein: My best teacher here at Hoosac. I just regret that I couldn't be in your class. I'll see you soon next year.

Mr. Bee: I didn't give you a hard time, did I? Thank you for helping me with college stuff and your movie was the best. Bye

To few special people: I will never forget. My pain and love from you guys was too much for me. All the answers will be there for you guys as I was always with you. I love you with all my heart and will be forever. I hi del el nu mu na sa lang Hagie, mo du ga him del ut dun si gan, hang sang jo eun chuk e lo gan jik gil ba la myu! ha

To myself: During four years in Hoosac, I learned the way of loving people and the amount of love given to me which is just too much for me. All of my weaknesses, my anxiety, pain and wickedness from love make me more strong and make one a different person which is my hope as a remembrance of me to all of Hoosac members who I have met. Sorry to all of my lovely people who I gave a hard time and people who had a hard time because of me. Pray for myself and my soul which will be exist in memory of Hoosac and my people who have loved and will love forever.

Mathieu Thibault

JOEL,

Whose name means "God is willing" but those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint. (Isiah 40:31)

Joel, I am so grateful to the Lord for giving you to me to raise and to Love. The Lord knows you. The Lord is familiar with all your ways. Such knowledge is too wonderful for me; too lofty for me to attain.

(Psalm 139: 1-6)

Joel, Take heart for you have been grounded in love and faith. For God so loved the world that he gave his one and only son, that whoever believes in him shall not perish but have eternal life. (John 3:16)
