HEADMASTER DEAN FOSTER

Dear Members of the Class of 2015,

Congratulations! I am so very proud of each and every one of you for your dedication and hard work this year. As Sixth Formers you have exemplified what it means to be a true Hoosac student. This year I saw a lot of firsts; the first NCAA Division 1 athletic commitment, the first ever VIth Form Senior Service trip, and the first time that the Hoosac Headmaster jumped in an ice covered Tibbits Pond. These are just some of the firsts that have helped transform you from young men and women into adults. For the rest of your life you will continue to have many "firsts." Take the time to

recognize these moments and do your best to make note of them. All too often we get so concerned about where we want to go, that we forget to enjoy the trip.

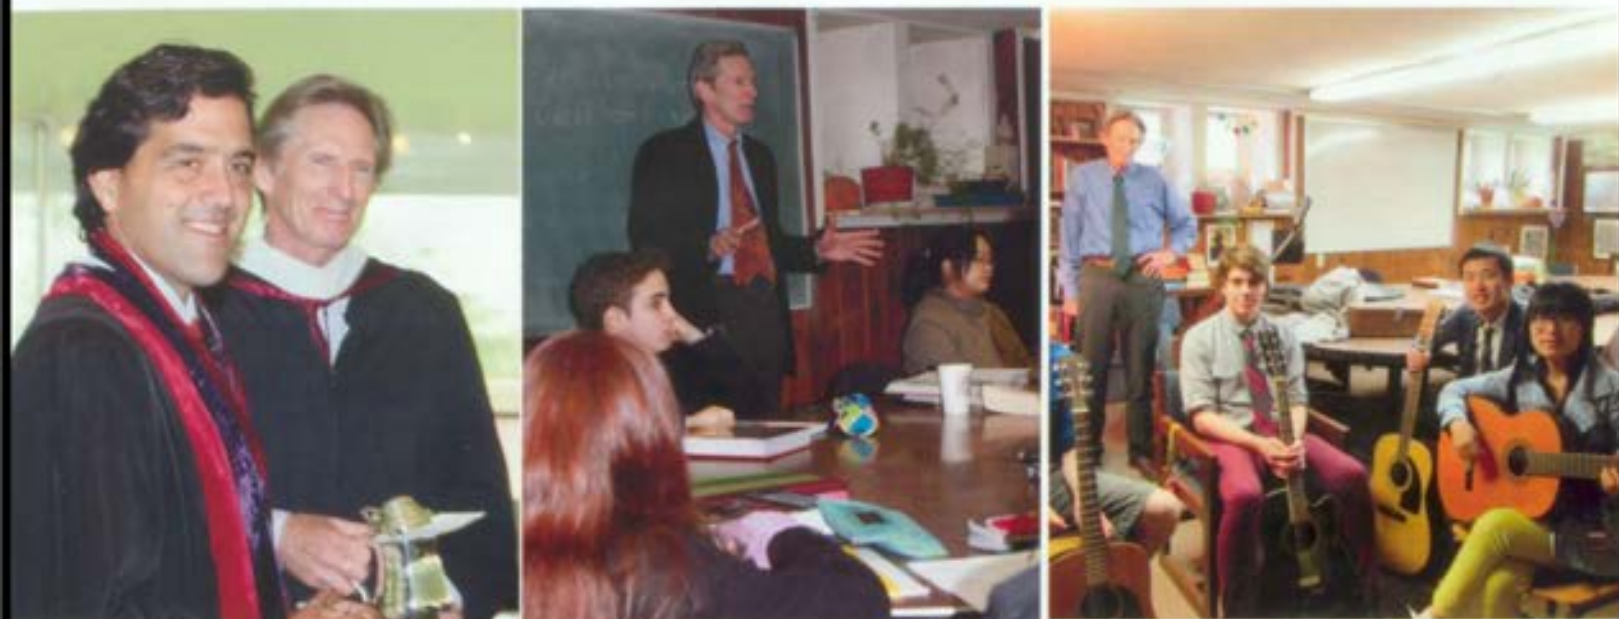

Your time as a student is finished. Now it is time to accept your new role as an alumnus. This is likely the first time that someone has acknowledged you as an alum or you are realizing that you are now part of a much bigger Hoosac group, the alumni. Embrace your membership in this group, you worked very hard to gain entrance. Seek out other alums, keep your Hoosac connections strong, and most of all, know that you are always a part of Hoosac's history. Be well, do good things and by all means, stay in touch!

A handwritten signature in black ink, appearing to be 'D. Foster'.

Dean S. Foster

The 2015 Owl is Dedicated to *Mr. Thomas Cochran '66*

Mr. Cochran has dedicated almost 25 years to Hoosac School. He graduated from Hoosac in 1966. Then, as a teacher of English, history, guitar class, and other creative electives, he exemplified a new way of thinking to students. His friendly, understanding, and trustworthy demeanor gave him great praise from students and faculty alike, as the Dean of Students. Any moment someone needed to be heard, Mr. Cochran was there. He is a firm believer of trust and respect of any individual. His contribution to Hoosac gave many inspiration and peace.

Sandy Yang '14 said "I hope he (Mr. Cochran) reigns in Hoosac again with his **gentle, charismatic presence.**"

Without hesitation, Mr. Tom Cochran was and continues to be a true supporter of Hoosac.

In loving memory of
Donn Wright

Beloved former headmaster and rector of Hoosac School, Donn Wright, passed away on January 10, 2015. With a broad background in education and theology, Mr. Wright brought both learnedness and professionalism to Hoosac. He served as headmaster from 1966 to 1971, then again from 1984 to 1990. Mr. Wright's second term was a great service to Hoosac and very likely saved our school. He carried the weight of bankruptcy and succeeded in enrolling new students to preserve Hoosac. His dedication and enthusiasm guaranteed a fresh start for Hoosac. Following his tenure as headmaster, Mr. Wright remained active at the school as rector until 1998. He impacted many people's lives, inside and outside of Hoosac. To mark and appreciate Donn Wright's life and accomplishments at the school, this year's annual Bleeze Banquet was dedicated to him.

We appreciate the profound influence and hard work of Mr. Donn Wright. Without him, Hoosac wouldn't be standing as it is today. He will be greatly missed and remembered forever.
