SUMMER

Camp Registration Happening Now!!

Summer Camps: June 24 — August 16

Running, jumping, tumbling, balance and creative play—it all happens here in our kid friendly, air-conditioned, fun-filled summer program. Each week our different themes will have your child exploring the wild wilderness, sailing the high seas or blasting off to new planets. They will be having so much fun they won't even notice they're building coordination skills as well as self-confidence.
