Jeffrey Camp, SCI Benner----Please pray for my stepmom, who is presently in a rehab center; and also for my upcoming court date in March. May Almighty God show favor on me and keep me protected from harm.

James Bricker, SCI Phoenix----We ask Almighty God to provide the legal help I need to help me get to freedom, that I may help my parents and continue in my study of the Book of Psalms; we also pray for for my parents, and for my uncle who recently had a stroke. In the precious name of Jesus, Amen.

Rick DiLaurenzo, Ministry Founder----A shout of praise to Almighty God. Recently, my pastor anointed me with oil and about 30 members of our congregation laid hands upon me and we prayed for healing of my lower leg which had a large wound that would not heal for several months. Thereafter I was directed to a specialist and my wound began to heal immediately, and is now fully healed! I thank Almighty God for this healing which seemed to defy the best efforts the previous doctors and their instructions. Almighty God sent me this healing, and all praise and glory belongs to Almighty God!

David Mandeville, SCI Dallas----Please pray for my sister, Kelly, who is experiencing difficult health and financial problems. May it be the will of Almighty God that she would be healed physically and financially, that she may then return to a pleasant life. We ask this in the Name of Jesus, Amen.

Prison Mentoring Ministry----We praise Almighty God for our new ministry members: **Harold Ford, David Cummings, Josh Copenhaver, Miguel Vasquez Santiago, Kelly Deluca, Ezais Quiles, John Williams, and Demetrio Mendez.** May Almighty God protect them, strengthen them, and keep them safe from all harm. May they flourish in His Word, and proclaim Jesus as their Savior and Lord. Amen.

Please read these prayer requests daily, asking Almighty God to grant these requests, and bless His children with all of their needs and desires. Amen.
