Joshua Copenhaver, SCI Rockview----Heavenly Father, I ask your blessing on my ex-wife, mother, step-father, and friends, that they may have your peace within their hearts. I also ask Your Divine help for me when I am dealing with negative feelings and worry. Please shine a light on my path that I may walk in your favor. In Jesus name, Amen.

Jeffrey Camp, SCI Benner----Please pray for my step-mom, who is having serious issues with the health of her leg, and is presently in a rehab center. Also for my dad, that he would be strengthened to deal with her ongoing health issues. These are difficult times for me, and I ask that You, Heavenly Father, would shower me and my family with Your favor and healing. Amen.

Matthew Milisits, Ministry Leader, SCI Benner----**Let us pray for the requests of our Fellowship Group**

T-Bone: We thank Almighty God for bringing us together and keeping us together.

Terelle: Heavenly Father, Please give me the strength to control my actions and my thoughts, so that I won't backslide to the person God changed me from being. Change my heart, mind, and tongue from all evil or unpure thoughts. Thank You for Your comfort and Your peace, for the change You have made in my life and the people around me. Bless us and strengthen us so that we can keep Your statutes and so we can keep our mind focused completely on You. Amen.

PA: Lord Jesus, help us to grow in spiritual maturity that we may draw nearer to you and be effective for Your Kingdom. We pray that You will remove any evil spirits that are against us, Your faithful servants, the men on the block, and all others in this facility. In the name of Jesus, Amen.

Andrew: Thank You for seeing my grandmother through her surgery. Please be with Darlene and her family as they come to terms with the death of her mother. We also pray that You grant us a spirit of discernment, so that we may glean the fruits of Your Word.

Matthew: Please continue to pray for the healing and restoration of my mom's health, as she is currently in the Intensive Care Unit again. All praise and glory to Almighty God for His healing and power that He exercised on mom, and Brother Rick.
