

With the sound of church bells ringing  
Message of life even birds are singing  
It wakes me up and I praise with joyful noise

People of faith all over singing  
From nation to nation they're proclaiming  
That Jesus Christ is alive!  
Yes, He's alive!

**Hallelujah – Jesus lives!**  
**Hallelujah – sing with me!**  
**Truly, truly, Jesus Christ is risen!**

How can it be? I can't understand  
My King has given life for me  
How can it be? I can't understand  
The rock is moved, and Jesus is alive!  
--- And I with Him!

**Hallelujah – Jesus lives!**  
**Hallelujah – sing with me!**  
**Truly, truly, Jesus Christ is risen!**
