MAYOR'S REPORT

1. Kirk's Pharmacy has requested a change of traffic flow in the alley, they want to install a drive up window. I refer this to the traffic committee and report back in March meeting.
2. All the vehicles have been auctioned off at Larry' Auto Sales. The city was paid over \$7200.00.
3. I was contacted by the Illinois Liquor Commission about our liquor and gaming hours. I sent them a updated copy of our ordinance.
4. We need to authorize the Mayor to set bids for a new Police vehicle.
5. Waiting on a proposal from the F.O.P. Once I receive a proposal we can negotiate.
6. Donate \$4000.00 to the Homecoming Committee. This will help entice a carnival to come in.

Building for the future!
