

# **City of Christopher**

**208 North Thomas  
Christopher, Illinois 62822**

**Office of the Mayor  
Gary Bartolotti, Mayor**

January 8, 2024

## MAYOR'S REPORT

1. I wrote a warrant to ASCAP for \$434.00. This is paid for music rites at our annual homecoming.
2. The city received a check from the village of Elkhart for \$25,000.00. This check was for the sale of our 1995 Spartan fire truck.
3. We have our new power rate from Homefield Energy. Starting in July, our new rate is 8.1 cents per kilowatt hour. The difference is .6 cents cheaper.
4. I have received an e-mail from Riley Pakosz (Pyrotec) about our fireworks. The cost will be \$20,000.00 dollars, which half is raised by the Fire Department.
5. Purchase of two new computers for the Police Department for \$1600.00. The money will come from the Police Department's own funds.
6. IDOT contacted my office about paving from 4-way to North State Street. They are going to asphalt IL. RT 14 East. To asphalt from the edge of the road is over \$20,000.00. If we agree to let IDOT do the paving, it will cost \$4500.00 with federal funds.

**Building for the future!**
