## MAYOR'S REPORT

1. On 9-2-23 at our monthly committee meeting, we discussed implementing a TNR program for the City Christopher. After careful consideration by the council, this program would be beneficial for the city. This would be a start to control our cat problem. This program is managed by volunteers and the city has no responsibility financially in this program.
2. Joseph A. Bleyer (Attorney) has been assigned to represent Christopher, Franklin County Housing Authority v City of Christopher. Bleyer has filed his response. I will keep the council informed on the Lawsuit.
3. I had a meeting with Tammy Campbell and Liz Allen on the safe sidewalk grant. After I will explain what the city responsibilities are we need a motion to apply, for Illinois Safe Routes to School Program.
4. What is the pleasure of the council on Myrtle Street. We have dealt with this problem to vacate or not.

**Building for the future!**
