What our members have to say

DGV gives us the opportunity to network, and branch out. After meeting at a mixer, we ventured out and collaborated with the Victoria HarbourCats baseball team, and are very proud to be their official cookie supplier for the upcoming baseball season!

— Martha Barber, Owner, Martha's Delectables

The staff at Destination Greater Victoria is always on top of sharing our story. Sharing our story has been the biggest thing for us since we joined. DGV picks up little pieces from us and shares them in their network. We consistently get people coming into the store and us they picked up a rack card at the Visitor Centre. The networking through events has been invaluable, and has helped us on developing our community ties.

— Katrina Dwulit, Co-Owner, Victoria

We joined DGV to be connected to the community, and to the tourism industry as a whole. Since we've joined, it has opened many doors
