SKIN SERVICES

JETPEEL Dermal infusion facial.....\$195

JetPeel is a technology that combines pressurized air with active ingredients to deliver solutions deep into the skin without needles or without injuring the epidermis. Improves skin texture, deep cleans and unclogs pores, reduces fine lines. Improves skin hydration, removes dead skin and gives an overall skin rejuvenation.

OXYGENEO 3-in-1 super facial.....\$165

The OxyGeneo" exfoliates the upper skin layer to remove dead cells, open clogged pores, smooth the surface and renew the skin. It harnesses the natural processes of the body to oxygenate the skin from within and at the same time infuses nutrients, vitamins and selected active ingredients that nourish the skin and promote healthier and smoother complexion.

Your skin will be restored and feel smoother, tighter, hydrated with a lighter and healthy glow complexion.

OXYGENEO 5-in-1 super facial includes RF Tri pollar eye treatment\$270

A non-invasively radiofrequency technology helps firm skin, stimulate fibroblast and produces collagen. Tripollar improves skin cell production reducing fine lines. Includes Oxygeneo 3 in 1.

EXOSOMES BALM INFUSION THERAPY CAN BE ADDED ON TO MOST SKIN SERVICES

HYDRAFACIALS

Hydrafacials are one of the most powerful non-invasive skin resurfacing treatments. It combines deep cleansing, exfoliation, extraction, hydration and antioxidant protection that removes dead skin cells and impurities, while simultaneously delivering moisturizing serums into the skin.

Signature Hydrfacial.....\$189

Deluxe Hydrfacial.....\$215

includes LED light therapy

Microdermabrasion and Hydrfacial.....\$195

Platinum Hydrfacial.....\$260

includes lymphatic drainage and LED light therapy

CHEMICAL PEEL\$165

Chemical peels are treatment solutions applied to the skin for deep exfoliation, they are made up of a special formula that is designed to resurface the skin to improve skin texture , decrease fine lines, even out skin tone, reduces pore size and appearance.

MICRONEEDLING \$415

Microneedling is a safe and minimally-invasive procedure that uses a handheld pen containing very fine needles that inflict micro punctures to the skin. This treatment is excellent to help diminish the appearance of acne scarring, fine lines and wrinkles, stretch marks and skin texture.

Microneedling and radio frequency combined - morpheus8 Inmode

The morpheus8 is a fractional skin treatment that stimulates collagen production of the underlying layers of the dermis. By targeting the deeper layers of the skin, tissues of the face and body can be remodeled to reveal a more radiant youthful appearance. Morpheus8 can be used on any areas that can benefit from resurfacing and subdermal renewal like the face, abdomen, thighs, legs buttocks.

**LED LIGHT THERAPY..... \$45 per treatment
can also be added on to most facials and some skin treatments.**

8 treatments \$275

Micha's Led Light Therapy helps Increases circulation, reduces redness, improves healing of acne and overall the skin looks younger.

ELECTROLYSIS

15 min\$35 30 min\$65

This treatment uses modulated currents to deliver more energy to the follicle to remove hair permanently, safe for all skin types and for all hair types and skin colors on all areas of the body.

ELECTROCOAGULATION (Vasculyse)

15 min\$70 30 min\$115

The Vasculyse is used to remove imperfections such as:

- Ruby dots - Keratosis
- Broken capillaries - Milia
- Skin tags - Cholesterol deposits
