

# DRUMMING AT SCHOOL

## WITH DRUMSOUND

## BENEFITS:

- Creates powerful team spirit for schools, clubs or cultural groups
- Breaks down cultural, race, status and gender barriers.
- Creates a powerful feeling of unity
- Creates a co-operative rather than competitive spirit
- Offers a powerful alternative to drugs and alcohol use
- Encourages creative expression
- Provides hand, eye and ear co-ordination
- Integrates left and right brain activity
- Improves non-verbal communication
- Good for release of anger or frustration
- drumming Builds self-esteem
- Promotes individuality
- Fun!

## THE DRUMSOUND WAY

Drumsound introduces children to music by making drumming joyful and accessible. Through interactive drumming sessions, children experience a strong sense of unity. We bring drums to schools, ensuring each child has one, and guide them in playing and listening to one another. Drumsound's goal is to nurture children's abilities through the art of drumming.
