To Whom It May Concern,

It is with great confidence that I recommend and support Sergeant Tony Petrie as candidate for Sheriff of Hubbard County. As the Sheriff of Becker County and having been elected to this position for three terms, I understand the importance of integrity, dedication, and commitment to public safety this position demands. I also understand the importance of serving the public of which this position Sheriff stands for.

I have known Sgt. Petrie for several years. I have also observed him performing his duties as the SWAT Commander of the Lakes Area SWAT Team. This team consists of deputies and officers of Hubbard, Wadena, and Becker Counties, to include the cities of Staples and Wadena. Petrie remains calm under pressure while demanding respect and total understanding of the mission by team members.

Another notable strength of Sgt. Petrie is his ability to lead by example. He would not ask or direct another deputy to perform a task or duty that he himself would not perform. He inspires trust among colleagues and the public, ensuring that law enforcement is carried out with transparency and accountability.

I am confident Sgt. Petrie will bring the same vision, dedication, and integrity to the role of Sheriff that he has shown throughout his career, and I believe, as your Sheriff, will serve with honor and dignity.

Sincerely,

Sheriff Todd Glander
