EXALTED RULER'S MESSAGE

Robert Kielsa

Well the last two months of my office look like they are turning out to be quite busy. Our lodge is going to try two new initiatives to gain in our membership. We will be holding an Open House on Sunday, February 17th from 1 to 4 PM. If you have friends or relatives who might wonder what the Elks are all about, either send them or bring them to the lodge for the Open House. We plan to have six (6) tables set up with trifold boards identifying various aspects of our local activities and structure. We will also have one table set to explain our national organization. Our second effort to expand our membership will be the use of (3) Focus groups. I will give you a report on the results of both efforts in my last ER message in March.

I've been asked why do we want to increase our membership when we have limited space in our lodge (lounge) now. Basically more members represent: new ideas, more manpower for projects, diversity of thought, additional money from dinners and parties, help for our charity work and money from our lounge sales. The addition of members will also help us pay for our lounge expansion. We have two more infrastructure steps we need to address before we start any construction, the Development Plan and the Fire Hydrant.

I am hoping we can make a decision on a new cash register in the next couple of weeks. If we are able to do that we may have a chance at having the machine up and running before our snow birds leave for their summer homes. Along with a new cash register we may also be able to start using credit cards in the lounge. The problem is getting the right machine that works with our accounting system and a low service charge for processing transactions. Lets keep our fingers crossed!

LEADING KNIGHT

By Gloria Cisneros PER

As the incoming Exalted Ruler, it is hard to believe that there are only two months left before my year begins! Once again, seeing all the amazing charity work that our Lodge does every month is inspiring. Even with the Holidays being over, there are many opportunities coming up this month to be Charitable To All Mankind.

On February 23rd is our 1st annual “HAVE A HEART” fundraising event. This will be a fun filled night for an amazing charity, Elks Major Projects. The Arizona Elks Major Projects does many wonderful things for kids. In 1992, the Arizona Elks Association adopted the Steele Children’s Research Center as a “Major Project”. Since then, Arizona lodges have contributed more than \$6.8 million dollars to them. Studying and developing answers to our children’s ailments is a must for our future and that is what we are helping to accomplish. At our event, there will be raffles, ribs and live music! Please see the flier in this month’s *Bugle* to sign up and help us raise money for this very important charity.

Another great opportunity to volunteer your time this month is the Stuff A Bag for Impact of Southern Arizona being held February 26th. Trust me, you will feel really great about yourself knowing that you were a part of helping to ease a family’s distress by your act of kindness. *“It is one of the beautiful compensations of this life that no one can sincerely try to help another without helping himself.”* — Charles Dudley Warner (Fifth Study, 1872)

2019-2020 OFFICER NOMINATIONS

The 2019-2020 Elk’s year is fast approaching which means it is nomination time for new Lodge Officers. This event will take place at the first monthly meeting being held Thursday, February 14th at 7 PM. Members will be nominated for 8 available positions at this meeting. I have really wonderful members being nominated to be these Officers with me and I truly appreciate their willingness to come on board for what will be yet another amazing year at Catalina Mountain Elks. This meeting is usually an entertaining one as it is conducted by our Past Exalted Rulers so please attend if you have never been to one. When the nominees are voted in, the Officer Installation Ceremony will take place Saturday March 30th beginning at 11:30 AM.

ELKS OF THE MONTH

When it comes to our two monthly meetings its imperative an Exalted Ruler has back up for all positions. We have people who work and those who want to take trips and enjoy personal time with family. It has been a pleasure to have Neal Patronsky ready, willing and able to step in when needed. Neal has always been able to accommodate my requests when asked and I very much appreciate his family supporting Neal and our lodge! Thank you Neal for all your help!

A second person to step in when needed this year is Jim Buell. Jim and his wife Kathy are new to our lodge, but not to the Elks. Jim has been through the chairs, including Exalted Ruler. In California Jim has also been a DDGER. Jim has been regularly attending our PER meetings and our twice per month membership meetings as well. I want to thank Jim for his flexibility and help during the year!

Lastly I wish to thank Jack Baillargeon for his unwavering help working in our Degree team. Jack has been an invaluable asset to the lodge helping us initiate new members throughout the year. Thank you Jack for all your support for me and the lodge!

In February, Presidents,
who we felt passed our tests,
have faces on a monument
because their toils impressed.

We also ask a groundhog
how long this winter lasts...
even though just fools would throw
a wager on a shadow cast.

On Valentine’s our chances rise
and all should try their luck.
For what’s in store within amore
can leave who vies awestruck.

VETERANS COMMITTEE

By Belinda Waller

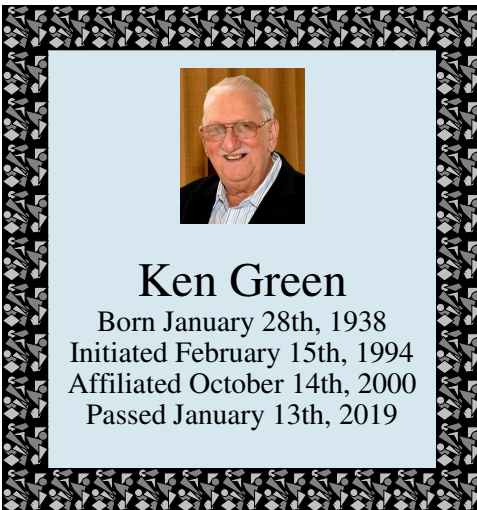

Veterans committee continues to collect clothing. We have had additional Elk's to join us in counting articles of clothing, shoes and toiletries. And, with the volume of clothing being donated we need the help. The month of April 2018 we had \$2070.00 worth of clothing donated. That is an average count for each month.

Get Ready!!! The month of December 2018 we receive clothing that totaled \$10,230.75!!!! A great Big Thanks to everyone who donated!!! This brings our year to date total to \$52,403 and we still have two months to finish out this year. So I guess I win the bet with Bob!! Next clothing count will be February 13th 1:00 P.M. at the lodge.

Next month, I plan to update the collection sheets and distribute them to all Catalina Elks members, so they may count the clothing when donating, and keep a copy for tax time. Thanks to all of you!!

The Veterans Committee next project will be to assist the lodge in preparing and serving two lunches for the Wheelchair veterans, who participate in the Wheelchair Olympics. I will notify you of the dates and times of the lunches. We will need volunteers to help serve.

I'm also working on an outing for, Blind Veteran's. This will include a visit to the Miniature Museum and a lunch. (Not sure if they need assistants form Elks for this outing. They will let us know).

On Jan. 13th we lost a good friend & dedicated Elk, Ken Green. He requested that no service be held. His only request was that IF anyone wanted to make a donation in "his memory", a check should be made out to the Lodge with a notation in the Memo line "In Memory of Robert 'Ken' Green." Thank you.

It is hard to believe that a month of the New Year has come and gone. I am looking forward to spring and some warmer weather. With Spring, comes dues time. I will be sending out the due's notices in the middle of the month.

Please include the bottom portion with your payment, so we in the office know whether to send your card in the mail or leave it in the lounge. You can pay your dues via credit card. Please make sure that all the information is filled in on the form as required.

There is still time to pay your current dues if they are not paid. To those members that are still getting this newsletter, please consider paying to avoid being dropped at the end of March.

Please help me welcome our newest members. TJ Altamirano, Michael Gusan and George Gustafson were Initiated on January 10, 2019. Morris Coville and Nancy Odson were initiated on January 24, 2019. HOUSE COMMITTEE

By Paul Slater

Well by now, I am sure just about everyone realizes that I missed the deadline for my January article. So in addition to my February article, I am adding the January article at the end for anyone who did not read it online.

January has been a good month for the lodge as the Wednesday dinners continue to grow rapidly, thanks to Marie's outstanding cooking. Due to the popularity, we will stop taking reservations for the Wednesday dinner on Monday evenings. This will allow Marie to properly plan for the correct number of guests in order to keep costs down, so we can continue to offer a complete meal, including dessert for only \$10. Easily the best value in town. If you do not get signed up we will not be able to guarantee that there will be a meal available to you, but we will, of course be happy to serve you should we have extras. Please remember you can always call the lodge and ask the bartender to add you on the list, up to close of business Monday.

Be sure to check out Jan's lodge activities article as we will be adding a new game to our Saturday's. Bunco starts this month. It will be a ladies only event for starters, but don't worry gentlemen, the bar will be open to give you a place to relax!

Look out for an announcement for a spring event. We are working on ideas and some twists that will help us continue to support all the great work our lodge does for our community.

January's Article

Happy New Year, Elks!! It is hard to believe that 2018 is over and we are only 1 year away from the "roaring 20s". 2018 was a great year for the lounge as revenues were up more than 50% and profitability was up as well. A huge thank you to everyone that supports and enjoys the bar and our fantastic Bartenders. We all need to thank Judy for assembling, what is easily, the best bartending team in NW Tucson!! Ricky, Kathy, and Marie are a great first impression to visitors to our lodge as well as a friendly face to the regulars. I am equally excited to have Rhiannon McMahan as a backup to ensure that the lounge is always taken care of by these great bartenders.

Part of our outstanding financial results are in part to the incredible job that Harry and Pam Wedwaldt have been doing. Harry's poker days contribute \$5/ player directly to the lodge, on average that is \$200/month. However, his wife Pam, is the true rainmaker for the lodge! Her passion to run the Friday night 50/50 return on average \$650/month. Adding it all up, these activities generate more than \$10,000/year back to the lodge.

Our Wednesday dinner attendance have been growing now that Marie has settled into our full time cook. In fact on 14. Dec she served more than 55 people while the O'Brien's entertained the crowd, the biggest dinner since Vinnie's famous lasagna dinners. It appears that Marie's talents are not just limited to outstanding bartending and cooking fantastic dinners, she also loves to bake. She has offered to add a homemade dessert to her Wednesday dinners! As part of the increase offering we will be raising the price for dinner from \$9 to \$10, effective immediately. By the way, there are rumors that Vinnie's recipe is out there and perhaps will make a reoccurrence in the future....

The house committee is working hard to come up with more ways to improve our lodge and profitability. We are always looking for great ideas, and always welcome a helping hand.

Take care,
Paul

LODGE ACTIVITIES

By Jan Trudeau

Well, it's already February-last month just flew by. We have some fun activities planned for this month.

We begin with Karaoke on Friday February 1st at 6:30-right after the Q of H drawing. Come join us for a fun-filled evening of song and sometimes dance. On Saturday the 2nd, Bingo happens at 2 PM. If you haven't joined us for these games, please do-it's tons of fun.

Super Bowl is on Sunday the 3rd. The lounge will open at the regular time-1 PM, and the football game starts at 4:30ish. There is a potluck that day-please sign up in the lounge for goodies-and come cheer on your favorite team-GO Rams!!!

Now that football season is over, we are moving the Texas Hold 'Em card games to Sundays. We have 2 games scheduled for February-the 1st is on Sunday the 10th, and the 2nd game is on Sunday the 24th. The fun starts a 1:30. Please find the sign-up sheet in the lounge and join in on the fun.

We have a new activity to try out. It's BUNCO. Bunco is a fun dice game that should be a blast. It is scheduled for Saturday the 16th at 1 PM. We will have some "seasoned pros" that can help those of us who have never played to learn and understand the games. Please ladies only for this round. Please join us for this new adventure. We'll have refreshments for all participants.

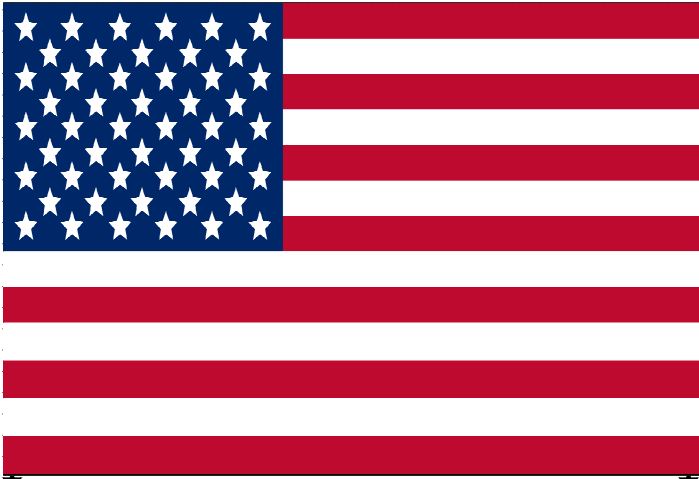

Sunday the 17th, ER Bob Kielsa and others are hosting an Elks open house. We hope to encourage new comers to our lodge by showcasing our activities and charitable actions that benefit the community. Come check it out.

Saturday the 23rd, we have an event to benefit the AEMP-Arizona Elks Major Projects fund. Lisa Chavez and Cindy Weiss have a wonderful evening planned with awesome food, music, and a guest speaker from the Steele Children's foundation. The sign-up sheet is in the lounge. Please come and support a very worthwhile cause.

COMMUNITY ACTIVITIES

CALLING ALL ELKS!! Monday February 25th at 2 PM, we will be stuffing bags for Impact of So. AZ. We will be creating 500 bags to be distributed to all food bank patrons in the month of March. This project is made possible by not one, but two grants from our grand lodge. Please find the sign-up sheet in the lounge and join us for a very rewarding and worthwhile time. It should take about 1-1 1/2 hours. I also need volunteers to help unload items, and deliver the bags to Impact. Please contact me if you are available to help with this part of the project.

Flag Coordinator Needed!

The lodge is in need of a flag coordinator for the remainder of the Elks year January 1, 2019 through March 31, 2019. This person will be responsible for inspecting flags for damage, storage of flags and coordinating the raising and lowering of flags. Our main flag is managed by Bobby Hurt and all flag purchases are coordinated through Bobby as well. Please contact Bob Kielsa in person or at 825-0240.

ARIZONA ELKS MAJOR PROJECTS

Katie Murdoch, Executive Director

151 years ago this month, an Englishman named Charles Vivian came to New York and started a social club with his theatrical friends called the “Jolly Corks” purely for amusement purposes. When one of their members died and left behind a wife and young children, the Jolly Corks decided that along with fellowship, they needed to bring more meaning to their club through serving those in need. It was then that the Benevolent and Protective Order of Elks was established, and Vivian was elected as its first leader.

As we enter into the 151st year, I ask you to reflect upon the benevolence that this very organization was founded upon and consider supporting Arizona Elks Major Projects in our efforts to better the lives of children across our great state through the Steele Children’s Research Center and the Jack C. Warner Youth Camp. What better way to kick off this monumental year than to look back on our history and make our founders proud! If you would like to donate to AEMP and contribute to our mission of improving the lives of children, contact us at katie@azelksmp.com or (520)-326-0556.

Happy 151th Anniversary to my fellow Elks! I say this often but it truly is an honor to be an Elk with you!

EASTER KIDS SHOPPING

For the first time, Catalina Mt. Elk's Lodge will be sponsoring 25 needy children shopping for Easter clothes.

This will be held on March 9th and will mirror the extravaganza we hold each year at Christmas time. This is a new date from the date we announced at the Christmas shopping event.

During the Christmas shopping spree I received numerous volunteers for our Easter event but still need more adults to escort children shopping. If you would like to help, please contact me directly or put your name on the sign-up sheet that will appear on the bulletin board in the lodge bar.

Remember to mark your calendars:

March 9, 2018 Saturday
9:00 AM Wal-Mart Oro Valley Market Place

For those of you who signed up early, I will be calling everyone just as a reminder.

If you would like to donate money for this event you can put your check in an envelope addressed to the lodge and marked: Easter Children's Shopping Spree

Thank you lodge members for supporting these events! If you could see the faces of each child at the end of the day it would make your heart full of joy!!

PER ASSOCIATION

By Steven Asp PER

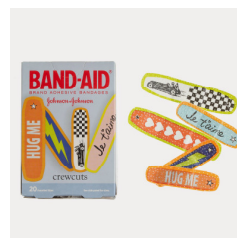

Regarding our current Queen of Hearts game, I am happy to report that as of this writing the Queen, as well as several high paying cards, are still hiding out amongst a remaining twenty-three cards. We have had several \$50. And \$100. winners lately, but the big percentage cards are still available. Also, the pot is now almost \$13,000. Friday nights are quite fun now with pretty good-sized crowds present for the drawing. If you haven't been there, you should check it out.

The PERA's share of the Queen of Hearts fund is still growing. We have a considerable amount of money available for charitable donations and Lodge maintenance or improvements. We did spend a little of it for a case to protect the new Alter Cloth which we recently bought. WE also approved funding for the upcoming Open House the ER Bob is planning. You will read more about that in other articles.

HELPFUL TIPS

Have you ever tried to take a Band-Aid or tape off your arm and it pulled the arm hair? "OUCH." Take an alcohol swab and slowly push back the sticky side of the Band-Aid or tape with the swab as you pull the Band-Aid off, and it will not pull the arm hair. (Guys, that goes for the chest hair also). Putting alcohol on a gauze pad works also.

Please consider adding your support to the research efforts at the Steele Children's Research Center - to create a healthier future for all children.

Born in the Southern town of Apopka, Florida in 1973, Rowdy is truly a throwback to the outlaw movement going on around the time he was born.
