Check here if you have indicated any special instructions on the back.

In accepting this permit, I agree to the following conditions, and I understand that Adair County has no obligation and will assume no responsibility for the work, or liability resulting from such. I, the undersigned, hereby make application to Adair County for permission to apply dust suppression in the described location. The applicant agrees to the following:

CONDITIONS OF PERMIT:

- 1. The applicant's contractor must notify Adair County five (5) working days prior to application of dust palliative so that the road may be properly shaped to make your dust palliative effective for a greater length of time. The beginning and end of application is to be flagged along the road edge.
2. Dust palliative must be placed at least 18 feet in width.
3. Prior to September 15, of the issued year, Adair County reserves the right to scarify any treated portions and maintain them as rock roads if, in the opinion of the County Engineer, sufficient surface deterioration has developed as to become a liability to the traveling public. After September 15, of the issued year, the roadway will be maintained as usual.
4. This agreement is limited to two applications.
