We, the undersigned do hereby request Jerico Services, Inc. to make **two applications** of **LIQUIDOW™ Calcium Chloride** for the purpose of dust suppression in the described location with the permission of the Boone County Road Department. The applicant agrees to the following:

1. **DEADLINE FOR SIGN-UP IS APRIL 27th.** No applications can be accepted after this date for the first application.
2. To maintain Jerico Services, Inc. flags identifying the outer limits of the area to be treated with Calcium Chloride.
3. **Flags must be in place by April 27th and kept visible until October 1st.** Failure to identify the treated area may result in your dust suppression being bladed through. Neither the county nor Jerico Services, Inc. assumes any liability if your flags are not in place. If your flags are not visible, we will center your application on your house.
4. In the event of rain, the county also reserves the right to do light blading on treated areas for public safety. Depending upon weather conditions, your road will be thoroughly bladed the last week of October in preparation for winter.
5. **LIQUIDOW™ Calcium Chloride** is very effective dust suppression, however Jerico Services does not guarantee the performance of the product due to factors such as weather, surface preparation or heavy traffic patterns.
6. If you have any questions regarding the Boone County dust control policy please visit their web site at: www.co.boone.ia.us

I have read the terms of this permit and I am in agreement with them.
