We, the undersigned, hereby make application to Guthrie County for permission to apply dust suppression in the described location. The Applicant agrees to the following:

1. **DEADLINE FOR SIGN-UP IS MAY 4th.**
2. To maintain Jerico Services, Inc. flags identifying the outer limits of the area to be treated with dust suppression. **Flags must be in place by May 4th and kept visible until October 1st.** Using Jerico Services, Inc. flags will serve to visually remind the blade operator as to the location of the treated area. Failure to identify the treated area may result in your dust suppression being bladed through. Neither the county nor Jerico Services, Inc. assumes any liability if your flags are not in place. If your flags are not in place when we come to apply your dust suppression we will center the application on your house.
3. I understand that Guthrie County will not blade, scarify, or shape the treated area after an application unless the county deems such work is necessary for public safety, in which case it will be performed without notice or compensation to the landowner. In the event of rain, the county also reserves the right to lightly blade the treated area for public safety. **Your road will be thoroughly bladed after October 1st in preparation for winter.**
4. Jerico Services, Inc. does not guarantee the performance of the product due to factors such as weather, surface preparation or heavy traffic patterns.

I have read the terms of this permit and I am in agreement with them.
