We, the undersigned, hereby make application to Marshall County for permission to apply LIQUIDOW™ Calcium Chloride for the purpose of dust suppression in the described location. The Applicant agrees to the following:

1. DEADLINE FOR SIGN-UP IS APRIL 17th in order for the county to have sufficient time to prepare the roads before the first application. Any applications not post-marked or received by April 17th will be assessed a \$25.00 late fee.
2. To maintain Jerico Services, Inc. flags identifying the outer limits of the area to be treated with calcium chloride. Flags must be in place on the ground (not in trees and/or fence posts) by April 17th and kept visible until October 1st. Using Jerico Services, Inc. flags will serve to visually remind the blade operator as to the location of the treated area. Failure to identify the treated area may result in your dust control being bladed through. Neither the county nor Jerico Services, Inc. assumes any liability if your flags are not in place. Your road will be thoroughly bladed after October 1st in preparation for winter.
4. This agreement is limited to two treatments only.
5. LIQUIDOW™ Calcium Chloride is a very effective dust suppression product; however Jerico Services, Inc. does not guarantee the performance of the product due to factors such as weather, surface preparation or heavy traffic patterns.

I have read the terms of this permit and I am in agreement with them.
