SIGN-UP DEADLINE: MAY 4TH

Return Application and Payment To:

Husker Chem Sales P.O. Box 607 Indianola, IA 50125-0607

Flags to mark the outer limits of the area to be treated must be in place by MAY 4TH and kept visible until OCTOBER 1^{ST.}

☐ Check here if you have indicated any special instructions on the back.

We, the undersigned, hereby make application to Pottawattamie County for permission to apply two applications of dust suppression in the described location. The Applicant agrees to the following:

- 1. **DEADLINE FOR SIGN-UP IS May 4th.** In order for the county to have sufficient time to prepare the roads before the first application, no applications can be accepted after this date.
- 2. To maintain flags identifying the outer limits of the area to be treated for dust suppression. Flags must be in place by May 4th and kept visible until October 1st. Using flags will serve to visually remind the blade operator as to the location of the treated area. Failure to identify the treated area may result in your dust control being bladed through. Neither the county nor Husker Chem Sales assumes any liability if your flags are not in place.
- 3. Pottawattamie County may disturb the treated area if it becomes necessary to preserve the safety of the traveling public. Should the grading of a treated roadway become necessary due to an unsafe roadway surface or weather related conditions, such grading as necessary will be done and no refund of application costs or retreatment of surface will be made. Your road will be thoroughly bladed after October 1st in preparation for winter.
- 4. This agreement is limited to **two** treatments only.
- 5. Husker Chem Sales nor the Pottawattamie County Road Department does not guarantee the performance of the product due to factors such as weather, surface preparation or heavy traffic patterns.
