RETURN APPLICATION & PAYMENT TO

EnviroTech Services
P.O. Box 607
Indianola, IA 50125 – 0607

Flags must be in place by April 1st and kept visible until October 15th.

Flags may be picked up at these locations:

Grundy County Eng. Office:
22580 M Ave, Grundy Center

☐ Check here if you have indicated special instructions on the back.

I, the undersigned, hereby request Jerico/EnviroTech Services to make **two applications** of Dust Suppression for the purpose of dust suppression in the described location with the permission of the Grundy County Road Department.

The applicant agrees to the following:

- 1. DEADLINE FOR SIGN-UP IS APRIL 12th** Application MUST be received by this date in order to be on the list for the first application. **Late applications will be added to the list for second treatment only.**
- To measure area and maintain Jerico/EnviroTech Services flags identifying the outer limits of the area to be treated with Dust Suppression. **Flags must be in place by April 1st and kept visible until October 15th.** Flags are not only an identifier for our drivers, specifically where the treatment should be applied, they also serve as a visual reminder for the blade operator of the treated area. Failure to identify the treated area may result in your dust control being bladed through. Neither the county nor Jerico/EnviroTech Services assumes any liability if your flags are not in place and visible.
- The county reserves the right to blade the treated area if it is deemed necessary for the safety of the public.
- Jerico/EnviroTech Services does not guarantee the performance of the dust suppression products due to factors such as weather, surface preparation, and or heavy traffic patterns.
- Please measure and flag your area accurately. If flags are not in place, Jerico/EnviroTech may apply the dust suppressant using reasonable judgment, or cancel your application.
- If you enter credit card information, you acknowledge that Jerico/EnviroTech Services is not responsible for any loss of that information that occurs during transit to Jerico/EnviroTech Services.

I have read and agree to the terms of this application.

Work to be done by: Jerico by EnviroTech Services, P.O. Box 607, Indianola, IA 50125
(Contractor Name) (Contractor Address)

Material to be used:

Calcium Chloride	Lignin Sulfonate	Magnesium Chloride
------------------	------------------	--------------------

CONDITIONS OF PERMIT:

The application and maintenance of chemicals on crushed rock surfaced roads to control dust shall be by permit only, and in accordance with the below Grundy County Fugitive Dust Control Policy and the applicant agrees to the following conditions:

1. Dust control chemicals may be applied by an approved contractor and/or landowner.
2. Materials approved for use on the roads include calcium chloride, and lignin sulfonate.
3. The landowner shall be responsible for maintaining potholes and rough spots in areas applied with dust control chemicals. Should grading or blading of any dust control treated roadway become necessary by the opinion of the County due to unsafe roadway surface or weather related conditions, such grading or blading will be done by the County without notice and no refund of application costs or retreatment of surface will be made.
4. County Engineer's Office (319/824-6912) shall be notified 5 working days in advance of applying a dust control agent, so the roadway may be properly shaped.
5. Grundy County will not assume responsibility for any dust control service.
6. Grundy County will blade through dust control areas during the month of October to prepare road for winter, without notice to landowner.
