Conservation & Garden

Elyse Yerrapathruni, Director of Outreach & Events, showed a short video and explained the amazing work done by Farmers Against Hunger. We all want to volunteer to glean.

Leviticus 23:22

"When you reap the harvest of your land, moreover, you shall not reap to the very corners of your field nor gather the gleaning of your harvest; you are to leave them for the needy and the alien. I am the LORD your God."

WCC members were amazed by the amount of food that has been gleaned and distributed to the needy. A quick pass of the hat raised \$152.
