

Environment

Five members of the Woman's Club of Cranbury volunteered to help remove trash, litter, and debris from local rivers and streams at the 15th Annual Stream Cleanup. Over the past decade, these efforts have helped remove more than 122,000 pounds of garbage with the help of 6,300 enthusiastic volunteers. Cleanup events are a great way to get outside, improve the scenic beauty of our region and positively impact our wildlife habitat. And they each took home a Watershed Stream Cleanup t-shirt as a memento!

Stream Cleanup - April 17, 2021 in CRANBURY

Environment

The Woman's Club of Cranbury planted the barrels on Main Street with red geraniums and white petunias. Thank you Sue W, Christine Briggs , Brenda Shaffer , Charlie and Sally O. Keeping our town beautiful!!!!!!

May 12, 2021 Planting the Barrels and Planning next year's activities.
