### Volunteers in Action: GFWC's Woman's Club of Cranbury (New Jersey), La Crescenta Woman's Club (California), Nampa Woman's Century Club (Idaho), and Poultney Woman's Club (Vermont)

November 12, 2019

For Veterans' Day 2019, Marna McDermott and Marsha Travis of the GFWC Woman's Club of Cranbury teamed up for a special project to thank Veterans currently residing in Cranbury, New Jersey. Marna searched Township records and asked countless people for help in developing a comprehensive list of veterans in Cranbury. Marsha compiled the names into a spreadsheet, got Executive Committee approval for the wording, and printed the notes and envelopes. Below is a picture of the card which features a simple silver border and the Woman's Club Lily motif as a watermark. The cards read:

*The Woman's Club of Cranbury wants to thank you and your family for the sacrifices you have made as a member of our military. Your selfless bravery protected our freedoms when we needed you most. May we never forget that freedom isn't free.*

Above, we see Marna and Marsha at the Post Office, ready to mail their heartfelt thanks.
