Grecia Caceres

Ms. Caceres' main goal over the last ten years or so has been to receive her nursing degree. She had planned to pursue a four-year degree but had to focus on helping to support her family. Over time she managed to go to Mercer County Community College and complete her Associates Degree in Nursing even while working as a nursing assistant in the geriatric unit at Penn Medicine Princeton Medical Center. After taking a break, she decided to go back to college, and she was accepted into the nursing program in the Spring of 2020. Her goal is to become a certified geriatric nurse, and she would eventually like to become a nurse practitioner. Her vision is to provide primary care to older adults living in the community.

Elaina Phillips

The recipient of the 2021-2022 high school scholarship is Elaina Phillips. While attending Cranbury School she was active in clubs, theater productions, Cranbury Day and a winner of the school art award. She volunteered to help wherever needed. Elaina currently attends Princeton High School. She is a choir assistant, volunteer at the Arts Council of Princeton, Jazz Ensemble and Band manager, and raises money for many charities. She made an original portrait of Princeton High School which now hangs in their main office. A quote from Elaina, "Sometimes service work or volunteering puts me in the front but I find that I often assist behind the scenes or whenever needed. I've come to realize both are important." Elaina will be attending the Mason Gross School of the Arts at Rutgers in the fall.
