A message from our outgoing President:

It has been an honor to be your President for the last few years. We have done so many wonderful things. I have learned so much from all of you and enjoyed every moment spent with the groups.

Although unfortunately we have not had a formal installation of our new officers, I am excited for all of them. We have a wonderful group of women to take over and I look forward to experiencing things from the other side of the table. Diana will be an outstanding leader. She was such a help to me whenever I asked. There was never any hesitation in her voice and I knew she would take charge of all the things that needed to be done.

Although, some members thought I resigned as President and I think some rumors were spread around, I did not. I would never have done that without notifying the board of directors and the members. There were some things in my life that made it impossible for me to do everything a President is required to do in Feb., so I asked Diana if she could take charge of the meetings for me. She did much more than that without me even asking. I will never be able to thank her properly.

I hope to stay active in a lot of the different departments and to get to know some of the members better. I never will be good with names, but I always remember a Smile. Hopefully by the end of summer we will all be able to get back to normal. I do miss checking the calendar to see if I have any meetings.

I thank you all for your support, kindness and friendship that you showed me during my term of office. I hope you will remember our time together and the laughs we had. I know I will. You will never realize how much I enjoyed my time with you all and am looking forward to a lot more laughs and learning experiences.

Wishing you all good health, happiness and always know I will be here if you need anything. Remember the song "Just call I'll be there".

Fondly,
Jane Elias

P.S. One of the things I am most proud of besides my family, is being able to say I am a member of the Woman's Club of Cranbury and served as their President. Thanks to all of you.
