WEARING OUT POVERTY*

Every day, children are prevented from attending school, adults are unable to work. Walking becomes unbearable. A new pair of shoes provides relief in many developing nations around the globe, in times of disaster, and helps bridge the economic gap in the United States and Canada.

GFWC's Grand Initiative is to collect thousands of shoes. The people of Cranbury did their part. With collection boxes all over town, we collected 1100 pairs of shoes.

Susan's garage became a staging area for sorting and pairing the shoes.
