

## Blowin' In The Wind

**C**            **F**            **C**                            **F**            **G**  
How many roads must a man walk down before you call him a man

**C**            **F**            **C**                            **F**            **G**  
How many seas must the White Dove sail before she sleeps in the sand

**C**            **F**            **C**                            **F**            **G**  
How many times must a cannonball fly before they're forever banned

### Chorus:

**F**            **G**            **C**                            **Am**            **F**            **G**                            **C**  
The answer my friend is blowin' in the wind. The answer is blowin' in the wind

**C**            **F**            **C**                            **F**            **G**  
How many years must a mountain exist, before it is washed to the sea

**C**            **F**            **C**                            **F**            **G**  
How many years can some people exist, before their allowed to be free

**C**            **F**            **C**                            **F**                            **G**  
How many times must a man turn his head, and pretend that he just doesn't see

### *(To Chorus)*

**C**            **F**            **C**                            **F**            **G**  
How many times must a man look up, before he can really see the sky

**C**            **F**            **C**                            **F**            **G**  
How many ears must one man have, before he can hear people cry

**C**            **F**            **C**                            **F**                            **G**  
How many deaths will it take till he knows, that too many people have died

### *(To Chorus)*
