

# BYE BYE, LOVE

## VERSE 1

(G)                    D                    G  
There goes my baby with someone new;  
                                 D                    G  
She sure looks happy; I sure am blue;  
                                 C                    D  
She was my baby 'til he stepped in;  
                                 D                    G  
Good-bye to romance that might have been *(to Chorus)*

## (CHORUS)

C            G            C            G  
Bye Bye, Love; Bye bye, Happiness;  
C            G                                    D            G  
Hello Loneliness, I think I'm gonna cry;  
C            G            C            G  
Bye Bye, Love; Bye bye, sweet caress  
C            G                                    D            G                                    D            G  
Hello emptiness; I feel like I could die; Bye bye, my love, bye bye.

## VERSE 2

(G)                    D                    G  
I'm through with romance, I'm through with love  
                                 D                    G  
I'm through with count-ing the stars above  
                                 C                    D  
And here's the reason that I'm so free;  
                                 G  
My lovin' baby is through with me. *(to Chorus)*
