

Association of West Virginia Solid Waste Authorities
PO Box 61, New Martinsville, WV 26155

Speed Breaker Information

We are trying something new this year to kick off our AWVSWA/REAP Educational Conference.

We are going dating!

We are offering conference attendees the chance to get to know various agencies and organizations that they might not encounter or even know that their services are available. Some of those participating are, the WV DEP REAP programs, the Youth Environment Programs, the Recycling Coalition, the Solid Waste Management Board, and various vendors and speakers from our conference.

This will be from 2:30 to 4:00 on Sunday afternoon. It will be a lot of fun and informational also.

You will be given a number at check in, and we will start the groups at various tables throughout the room and then you will talk with that group for approximately 5 minutes, then we will move you on to another group. After about 45 minutes, depending on how many participants we have, we will give you time to go back and talk to the ones you want more information from.

We hope that this will start off our conference with a great networking event and it will continue throughout the conference.

If you have something that you think would be beneficial to this event, please send me an email and we can see about adding it to the list of participants.

We all look forward to seeing everyone at the conference.

Thank you,

Terri L. Tyler
Chair, AWVSWA
