

CAPABILITY STATEMENT

www.theopticbridge.com

Viola Medical Supply is committed to delivering a comfortable and convenient solution for patients dealing with the challenges of wearing glasses after nasal surgery, nasal trauma and skin cancer surgery. Our innovative products, OpticBridge® Cheek Support, OpticBridge® Clear Strap Support and OpticBridge® Recovery Kit serve as the industry leading Nose Surgery, Skin Cancer Surgery and Mohs Surgery Recovery products. By eliminating skin irritation and complications associated with nose recovery, OpticBridge® enhances patient comfort and convenience by instantly lifting eyewear away from the nose, alleviating undue pressure and providing a more comfortable experience for patients.
