OUR SERVICES

Simplify Payroll with IPA's Core Services

Comprehensive Tax Handling

- Quarterly and Year-End Federal/State Tax Return Filing
- Timely and accurate payroll tax payments

Dedicated Payroll Specialist & System Training

- Each client is matched with an experienced payroll expert for tailored setup and continuous support, along with thorough system training for seamless payroll management.

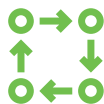

Flexible Payment Options

- Choose from Direct Deposit, Pay Cards, or Paper Checks to suit your business and employee preferences.

Convenient Payroll Data Submission

- Easily submit payroll data via Email, Fax, or Phone—select the method that fits your workflow.

Essential Document Processing

- Efficient processing and digital delivery of crucial tax forms like 1099s and W-2s

Enhanced Online Experience

- Access secure online payroll reports.
- Provide employees with online access to their paystubs for their convenience.
- Accurate tracking of **Vacation/Sick Leave/Time Off Accruals**, so you and your employees are always in sync.
- Handling of **wage garnishment** processing.
- Streamlined **new hire reporting**.
