Scholarship Endowment Update

Last year, the chapter embarked on a concerted effort to establish its first endowed scholarship. The Montgomery County Chapter NHA Presidents Endowment will be a continuing legacy that would benefit future alumni for years to come!

The two-year goal is to establish this endowment by the July 1 of this academic year. Hampton requires

a minimum \$25,000 this endowment. Sixty+ past and present alumni and friends, each making at least a \$450 donation would raise more than the required minimum.

This could be a one-time payment or \$45 a month for the rest of the academic year (September 2021 to June 2021). Once established, it would be at least a year before enough interest would accrue to grant a scholarship.

This month, chapter donations increased to \$2,895 from 8 alumni and a chapter donation, a little over 10% of our goal.

Over the summer, Hampton established a preliminary account for our endowment funds! Endowment donations can be made through the university donation page.

Waiting to make your annual donation to Hampton? Donations to the endowment now count as donations to the university. Those donations will count toward your annual giving to the university, your class and our chapter!

While creation of our account is in the final stages, future donations to the scholarship endowment should be made through the university donation page in accordance with the directions below. Be sure to keep notify the chapter treasurer of any donations so we can track our progress!

Our endowment is also eligible to receive corporate matching gifts! Check with your employer or [follow this link to see if your company is listed as offering this option.](#)
