## Tips on Getting Pledges

- A) We believe in this fund raiser because it directly benefits your player in our program. We want to remain a First-Class Program yet defray the cost of goods your student athlete needs to acquire.
- B) Seek pledges from: Family members, neighbors, classmates, or anyone you are familiar with or who is familiar with the strong Lake community.
- C) Ask your parents and guardians to help solicit pledges, possibly at work.
- D) We will not solicit services of businesses; this is for individual or family sponsors only.
- E) Please have ALL checks made out to “LABC”.

Thank You for your time and effort in keeping us **FIRST CLASS!**

Best Swishes,
