# Eco Platform Beds

## Eco Bedroom Collection

Platform beds and case goods made for eco-conscious living. Manufactured using premium-quality materials and mechanisms with strict standards in mind, these items are safe for organic homes and built to last.

- Made of solid beech wood harvested utilizing strict standards of sustainable forest management. Chemical-free and safe for organic homes.
- Available in Natural, Walnut, Wenge, and Beige finishes. Hand-rubbed with natural linseed oil.
- Full and Queen size beds include orthopedic lamellas with 2" slats and two support legs for up to 600 lbs weight capacity.
- Optional under-bed storage drawers, nightstands, and chests in matching finishes.
- Made in Europe with German mechanisms and connectors. Limited lifetime warranty.
