Meet *Joie Oliveros*

General Manager - Quality Inn Hotel Yorkton

Joie is a dynamic individual with a passion for hospitality and entrepreneurship.

Originally hailing from the Philippines, Joie made the bold move to Canada along with her daughter in August 2022, seeking new opportunities and adventures.

Joie brings a unique perspective to her role as the General Manager of Quality Hilton Hotel. Before embarking on her journey to Canada, she distinguished herself as an Assistant Director of Sales and Marketing for three prestigious five-star hotels in the Philippines. Her tenure of 3 1/2 years in this role honed her skills in customer service, marketing strategy, and team leadership, setting the stage for her future success in the hospitality industry.

Driven by a desire for continuous growth and learning, Joie pursued further education in International Business Management at the then Parkland College in Yorkton. This academic pursuit not only expanded her knowledge base but also provided her with invaluable insights into global business practices, enhancing her ability to navigate the Canadian cultural landscape.

In addition to her thriving career in hospitality, Joie is also a savvy entrepreneur, managing her own skincare business called "Skin Better Than Bare". Through this venture, she combines her passion for wellness and beauty, offering premium skincare solutions to her clientele.

My mantra is "think less, live more". Joie approaches life with a sense of adventure and openness. In both her professional and personal endeavors, Joie Oliveros exemplifies resilience, creativity, and a relentless pursuit of excellence. She remains committed to living life to the fullest and inspiring others to do the same.
