SHOP LOCAL. EAT LOCAL. SPEND LOCAL. ENJOY LOCAL

Hi Vendors!

We are beginning our preparation for the markets and are looking for local vendors to participate! Our market manager, Evan, will be in charge of our upcoming 2022 Hey Bear Markets. The markets are a wonderful event to bring the local communities together and get exposure for local businesses and their products. We at Hey Bear Café are so thankful to have so many vendors wanting to participate, and we can't wait to continue this journey with our local businesses. Due to the space of the cafe the spots are limited to **15 Vendors** per market. All vendors **can pick 3 market dates** but Please **select 4 dates that you would prefer**, with the first being the date you would most like. If we do need spots to be filled we may also contact you again. We will be having food trucks and our café will be open for business. The date for the market as well as the due date for the payment to participate are listed respectively. All events will be included on our weekly Food Truck Schedule, and we will also run ads to promote the vendors and event, therefore there will be **NO REFUNDS** for any cancellation except thunderstorms.

Fee will be used toward your:

1. 10x10 booth spot (please bring your own tent, tables, and chairs)
2. LIVE music/ Santa / other activities
3. 4 extra staff members to work the event
4. Advertising via Facebook and Instagram
5. 2 staff including Evan will be at the park directing vendors, helping set up and clean up after the event
6. Firepits/heaters if needed.
7. Portable bathroom
8. One car parking space

Market will be held outdoors in our park area.
