

Diversity & Inclusion Awareness

The What:

This 1/2 day in person interactive workshop is all about the power and multitude of benefits to having a greater awareness of Diversity and Inclusion.

We will cover The Equality Act, the consequences for getting it right or wrong, Psychological Safety and how to create inclusive cultures, and the business benefits of diversity of thought.

The Who:

- Everyone!
- Whether you are a Business owner, a Leader, a team player, sales person, if you interact with people in a work environment, or a consumer environment then this applies to you and your team.

The Why:

Being respectful and inclusive is not just a nice to have it is a business critical asset and raising the awareness of all kinds of diversity and how to create an inclusive culture is key to any successful business.

The world is changing and so is our workforce and customer base so a greater appreciation for Diversity and Inclusion is key to staying relevant and respectful in our ever changing world. The benefits from having a diverse team that feel included are massive and lead to innovations, achieving sustained growth and success. Get it wrong and you and your business could face hefty financial and legal costs as well as the reputational damage to your brand. It's a clear no brainer to equip yourself with this knowledge and mindset.
