

The Democrats' War on Democracy

The Democrats' War on Democracy: A key principle of our nation since its founding is that “**Justice Is Blind.**” If a man is on trial for bank robbery, then whether that man is a Democrat or a Republican, Pro-Life or Pro-Choice, a Christian or a Hindu, etc. is **IRRELEVANT**. Not only are these facts irrelevant but our nation's justice system must be **BLIND** to them when determining that man's guilt or innocence or even determining whether to prosecute him in the first place. The only facts that matter are those **DIRECTLY RELEVANT** as to whether the guy robbed the bank. If this **blindness to irrelevant facts** (like who the guy voted for in the last election) is lost, then we **no longer have a functioning justice system**. A democracy **without** a functioning justice system is **NO LONGER A FUNCTIONING DEMOCRACY**.

...Yes, I know our Country is actually a **Constitutional Republic** (see page 32), but the Democrats constantly accuse Republicans and other Conservatives of being **THREATS TO DEMOCRACY**. So, bear with me as **I throw their own words back in their faces**.

Donald Trump declared war on the **D.C. SWAMP** in 2016. Consequently, the Swamp declared war on Trump and by extension **anyone who supported Trump**. To corrupt/partisan Swamp Denizens/ Deep Staters in the FBI, DOJ and the Federal Judiciary (look up D.C. District judges **Emmet Sullivan**, **Beryl Howell**, and **Tanya Chutkan** when you get a chance), impartial justice became a trivial consideration next to **sticking it to their political enemies**.

Classified/ unauthorized documents in Bill Clinton's sock drawer? No big deal! *Classified/unauthorized documents* in a locked room at Trump's house? **RAID MAR-A-LAGO!** *Btw this "classified/unauthorized" document kerfuffle is a bunch of B.S. because the President of the United States is the **ULTIMATE AUTHORITY** when it comes to **CLASSIFYING** or **DECLASSIFYING** whatever the hell he wants!!!!* BLM Protesters facilitating (or actively participating in) the **DESTRUCTION** of our nation's cities? They're just "Peaceful Protesters." Trump Supporters who protested what they viewed as a **STOLEN** Presidential Election and engaged in the act of **TRESPASSING** in that **PUBLIC** building known as the U.S. Capitol? They are **TRAITOROUS INSURRECTIONISTS** who must be imprisoned with the key thrown away!

When a justice system applies the law differently based solely on an individual's **political affiliation** (e.g., Jacob Chansley vs. your run-of-the-mill law-breaking Brett Kavanaugh protester), that is **TWO-TIERED JUSTICE**. When that individual is **IMPRISONED** based on this **MISAPPLICATION** of the law, that person becomes a **POLITICAL PRISONER**. I'll go out on a limb here, Folks, and say that a (largely Democrat/ Deep State/ Swamp rat run) system that produces **TWO-TIERED JUSTICE** and **POLITICAL PRISONERS** is a **THREAT TO DEMOCRACY!**

Garrett O'Boyle, Stephen Friend, and Marcus Allen

The FBI Whistleblowers:

On May 18, 2023, **Garrett O'Boyle**, **Stephen Friend**, and **Marcus Allen** testified before Representative **Jim Jordan's** (R-OH) Select Weaponization of the Federal Government

Subcommittee. These three gentlemen were either active (albeit suspended) or former FBI Agents/ Employees at the time of the hearing. All three witnessed what they considered **ABUSES OF POWER** while performing their FBI duties. When the agents brought their concerns to their FBI bosses, they were strongly encouraged to **drop it**, and when then they did not, each had their **security clearance revoked** (a career ender for an FBI Agent) and were placed on indefinite **UNPAID** leave. Now Democrats have long praised “whistleblowers” for bringing supposed wrongdoing to the public’s attention. In this case, however, the Democrats on the committee **MOCKED** the three men for having to rely on some charitable donations to **FEED THEIR FAMILIES** because a **VENGEFUL** FBI had withheld their paychecks as **PUNISHMENT** for **CALLING OUT INJUSTICE WHEN THEY SAW IT**. Apparently, the FBI is immune to the “Whistleblower Protection Laws” of this Country. *Btw what **IDIOT** thought that was a good idea???* By **ROYALLY SCREWING OVER THESE THREE UPSTANDING AMERICANS**, FBI Director **Christopher Wray** sent a very strong

message to the rest of the FBI’s workforce. We’ll go after **who** we want, **when** we want, **how** we want (especially if they are pro-Life, pro-2A, or *in any way pro-Trump**). If you, Agent XYZ, have a problem with that? You better **ZIP IT** or we’ll grind you **AND YOUR FAMILY** into dust!

Partisan DC Juries: A key component of the **CORRUPT DC SWAMP** is the **DC SWAMP JURY**. Nearly all criminal trials with national political significance are held in Washington, DC. This is a **problem**. Republicans (much less anyone who dares to openly support Trump) **cannot get a fair trial in Washington, DC**. Also, Deep Staters who **break the law** in service for their *warped* view of “*the greater good*” **are not held accountable** (for more on the Deep State see page 140). The ultimate reason for this? Washington, DC is about as **PARTISAN** (*and anti-Trump*) as it gets:

<u>2020 Presidential Election Results</u>			
<u>Territory</u>	<u>Candidate</u>	<u>Votes</u>	<u>Pct.</u>
Washington, DC	Joe Biden	317,323	93.0%
	Donald Trump	18,586	5.4%

According to Joe Biden’s September 1, 2022 “Independence Hall Speech” the biggest **threat to the Country was **Donald Trump** and his **supporters**. This was **PUBLIC RECONFIRMATION** of the Biden Administration’s **GREEN LIGHT** for the FBI’s **DEEP STATERS** to go after Trump, anybody who might support Trump, or anyone who might sympathize with those being targeted through this **ABUSE OF POWER** (e.g., Agent O’Boyle, Agent Friend, and Mr. Allen).*

For trials where the crime in question is **national in scope**, such as: lying under oath to Congress, lying on a FISA warrant application to spy on the Trump Campaign, or a federal official taking **bribes** from the Chinese Communist Party (see 18 U.S.C. Section 201), the **relevant jurisdiction** is **NOT** just Washington, DC. It is the **NATION AS A WHOLE**. The **U.S. Constitution** gives Congress the power to **REMEDY** this. Congress needs to act to **MANDATE** that these trials occur **ONLY IN THOSE AREAS WHICH CAN PRODUCE A FAIR AND IMPARTIAL JURY**. Might I suggest the Federal Courthouse in Oklahoma City:

<u>2020 Presidential Election Results</u>			
<u>County or Parish</u>	<u>Candidate</u>	<u>Votes</u>	<u>Pct.</u>
Oklahoma County (OK)	Donald Trump	145,050	49.2%
- Main City Oklahoma City	Joe Biden	141,724	48.1%

...or if selecting one of the few U.S. **URBAN** counties where Trump actually won (by a whole percentage point in this case) is unacceptable to Democrats, I understand the Federal Courthouse in Cincinnati, Ohio is quite lovely:

<u>2020 Presidential Election Results</u>			
<u>County or Parish</u>	<u>Candidate</u>	<u>Votes</u>	<u>Pct.</u>
Hamilton County (OH)	Joe Biden	246,266	57.2%
- Main City Cincinnati	Donald Trump	177,886	41.3%

The point is that Washington DC Juries are the farthest thing from **“Impartial”** as you can get, and it is **past time** that they are removed

from the process. Also, I like the idea that **U.S. TAXPAYER FUNDS** that would have been spent in DC **would instead be spent in Cincinnati** (*or some other non-hyper partisan location*).

I will leave my extensive analysis of **local** partisan Manhattan DA Alvin Bragg and ilk for a future book. What can you say about a guy who ignores his borough's assaults and armed robberies yet prosecutes the ex-President of the United States (solely to earn points with Alvin's fellow Democrats) for some supposed bookkeeping B.S. that doesn't even fall within Alvin's area of responsibility? Suffice it to say, in Alvin Bragg's case, exactly what "DA" stands for is open to interpretation.

Let's cut to the chase, Folks. The reason the Administrative (or Deep or whatever you want to call it) State is **WEAPONIZING** the nation's justice system against Trump and his supporters is to **INTIMIDATE** any American Citizen from questioning or in any way threatening its authority in the future. I've got news for you my fellow Americans: These **CORRUPT A**HOLES WORK FOR US!** It's past time we **FIRE THEM** and, where clear violations of criminal law occurred, **THROW THEIR CORRUPT BUTTS IN PRISON.**

In addition to subverting our justice system, Deep Staters in the **Justice, Public Health** and **Intelligence** federal government agencies have worked with and even coerced private companies to **SUPPRESS THE FREE SPEECH RIGHTS** of the American Citizenry. Nothing highlights this more prominently than Elon Musk's "Twitter Files" release in December 2022. By the way, whenever a federal government "suggests" something to you? It is **de facto coercion** as

the federal government (with the help of a complicit DC jury) has the power to lock you up.

Also, it's no secret that a large number of Democrats would do away with the **SECOND AMENDMENT** at the drop of a hat. In addition, their **Defund the Police** efforts, combined with the **refusal** of big city Democrat prosecutors (e.g., NYC's Alvin Bragg) **to enforce basic criminal laws**, has made our citizens **considerably less safe**, particularly in our big cities. Chaotic, dangerous cities are **DETRIMENTAL** to the health of any Democracy.

So according to Joe Biden and the Democrats, it's the Republicans who are the **THREAT TO DEMOCRACY**? It should be noted that it has long been the practice of **TYRANTS** to accuse their **POLITICAL OPPONENTS** of that, which they themselves are guilty of.
