

The Democrats' War on Women's Athletics

While the Democrats loudly tout themselves as “the Supreme Defender of Women’s Rights” when it comes to abortion, they are more than willing to **SELL OUT** our nation’s young women when it comes to **ATHLETICS**. In an effort to **PANDER** to the nation’s so-called “transgender” population (*est. to be about 0.5% of the population*) and their “woke” *allies/* promoters, the Democrats have decided to give over 50% of our population **THE SHAFT!** Democrats are adamant that biological males, who decide that they are actually females for whatever reason (*only known to them*), **MUST** be allowed to compete against biological females in all athletic contests. This **ass-backwards** thinking is what enabled some **MEDIOCRE** male swimmer (*unfortunately* from my alma mater, the Univ. of Pennsylvania) to **STEAL THE GOLD MEDAL** from the **GREAT FEMALE** swimmer Miss **Emma Wyant** (the Univ. of Virginia) in the 500-yd Freestyle at the 2022 NCAA Women’s Swimming & Diving Championship. **BREAKING NEWS**, Everyone! Men and women are biologically different, Folks. If you don’t understand this, you are a **NITWIT!**

I get what Biden and the Democrats are trying to accomplish with their **OPEN BORDERS** strategy. It’s **SLEAZY**, but at least I understand their self-serving end game. I **DO NOT** for the life of me

get what the Democrats are after by effectively **DESTROYING** women's athletics. To call it **MORONIC** would be an insult to your average moron. I can guarantee you one thing. The top comrades at the Chinese Communist Party are laughing their asses off, watching us spin our wheels with this **STUPID CONTROVERSY**.
