

“The personal coaching I’ve received from Ventajas for my social work exam has helped me put all the pieces together and see the big picture that I’ve been missing. My coach is very sincere in wanting to help her students and there is a grace and generosity in her sharing of knowledge. **Not only have I gained knowledge, but I have also received a great deal of encouragement and support throughout the process, which has kept me going.** Allow yourself to swim in Ventajas’ knowledge of the social work profession.”

—Yildiz Marsala, MSW  
Centreville, Virginia

“After participating in a Ventajas workshop, **I realized that the materials and methods I had used in my previous preparation were inadequate.** I came away from my Ventajas workshop with a renewed spirit. A light had come on in my head and I was more confident, relaxed and focused. I knew I finally had the advantage I needed to pass the social work licensing exam, which I did! Since that time, life has been awesome. I have been afforded many professional opportunities to expand my knowledge, skills and passion in the field of social work. I strongly recommend Ventajas. It works!”
