Joe Baird Can I make a suggestion? Jon Fishbane has worked tirelessly on this initiative for the past year. I have worked closely with him on and off. He worked evenings and weekends on this and sacrificed a great deal of his personal time to move this forward. He was very moved by the stories he heard when he started interviewing parents and teachers. His motivation was honorable and deeply rooted in seeking justice for those that have been wronged. I'd like to suggest that someone in this group take the lead and organize some way of saying thank you from all of us. I think it would mean a great deal to him, and I think he deserves it.
