Kelsey Norton Oh how I wish our reach to other parents was further. MCA's leadership is only showing the cards in their hand they so choose to. Nice work Chris!

Leighanne Newberry Vasquez **Christie Reese Lewis** it just posts a blank rectangle. It says "write post" instead of "new". If I type something out, it shows up with the rectangle 🤔

Christie Reese Lewis Leighanne Newberry Vasquez go to the weebly site, click the document there, then copy/paste that doc web link. Fb is not letting me post the direct weebly link or message it to u to make it easy.

Heidi K. Williams Jenkins Has anyone done a records request for the letter from LM that he mentions?

Joe Baird Can I make a suggestion? Jon Fishbane has worked tirelessly on this initiative for the past year. I have worked closely with him on and off. He worked evenings and weekends on this and sacrificed a great deal of his personal time to move this forward. He was very moved by the stories he heard when he started interviewing parents and teachers. His motivation was honorable and deeply rooted in seeking justice for those that have been wronged. I'd like to suggest that someone in this group take the lead and organize some way of saying thank you from all of us. I think it would mean a great deal to him, and I think he deserves it.

Robyn Domes Mathias We just have to make sure that it doesn't look like a bribe of sorts. You know those things can get twisted

Robyn Domes Mathias Olivia Durst I'm all about a nice thank you lunch or something like that and definitely a note of gratitude

Olivia Durst Well when it is all said and done (hopefully in a good way!) the first order of PTA (😬)business could be a parent picnic with the board/Fishbane invited. I think **Holly Raass Miller** said at one point we all needed a get together 😊
