Hello Mr. Rommel,

Thank you very much for taking the time to look into this. We, the parents, understand that there are legal teams in place for CCPS and MCA. We have voiced our concerns to the MCA Board and it falls on deaf ears. Hillsdale and CCPS have made their recommendations and Kelly Lichter will not comply.

Facts and Documents:
<https://mca-info.weebly.com/>

There is evidence of Sun Shine Law violations listed in Joe Baird's complaint, as well as people who are not a part of the school (Nicholas Lichter, who has a criminal record) having access to school documents.

We came across this article. We believe that we can get enough parents to sign a petition representing the majority of the families/students. I would then ask for your assistance with getting it to the Governor.

Any guidance you can give us would be greatly appreciated. We love the education at the school, but it is time for a change of leadership. Just today I was told by a teacher (Kelly Lichter had a teacher meeting today 6/18) that the Board does not accept his resignation, yet that was never discussed at a Board Meeting.... There is a voice recording but the teacher is fearful of surrendering it.

Please help,
Tamara Switken

Thank you very much. I understand this route may not work but are trying every option to keep our school open with Hillsdale a part of it and a new board in place.

Take care,
Tamara

Tamara,

I have reviewed the website links you provided. You mentioned Joe Baird's complaint but it was not included. It appears that you and the other parents want to file an action (lawsuit) against MCA and its current board for violations of the Sunshine Law. Please note that this office cannot provide you with legal advice. However, I can tell you that if you wish to proceed with such an action, it will be necessary for you and the parents to retain counsel of their own.

I wish I could be more helpful, but I think your next move is to speak with legal counsel.

Respectfully,

Priscilla W. Grannis, District Secretary
