Subject: Thank you

Nick,

I've said this to Kelly a time or two, but I have never said this to you directly. I want to thank you very much for everything you have done to make MCA into what it is today. I know that it has come at great personal cost. I can't imagine the stress and anxiety that all of this must cause for your family. It must be disheartening to find that half of the board want's your wife's resignation. Please know that Sarah and I are very grateful for the sacrifices you and Kelly have made, and I want you to know that we are behind you 100%. We may not be able to do much for the school at this time, but please know that MCA and especially the Lichter family are in our daily prayers. I am sure that somehow God will resolve the problems with the board in His own way. Until then, please be assured of our prayers and continued support. Don't hesitate to let us know if there is anything we can do to help.

Joe
