

July 8, 2019

Dear Ms. Lichter,

Hillsdale College recently learned of the July 11, 2019 meeting of the Collier County Public School Board to discuss the revocation of the charter of Mason Classical Academy (MCA). In light of the MCA Board's recent efforts to address the issues raised in the Investigative Report of the General Counsel of CCPS and provided the MCA board agrees to begin reconstituting its membership per those recommendations, Hillsdale College will appeal directly to the CCPS Board not to revoke the charter of MCA. Please notify us at your earliest opportunity if this offer of assistance is acceptable to the MCA board.

Sincerely,

Dr. Christopher A. VanOrman
