Erika knew about this + requested on the 14th

Dear Jon,

I write to let you know that we are preparing two letters which will go out either later tonight or sometime tomorrow. One is a reply to the MCA board where it requested an extension to the 30 June deadline (denied). The second is to the parent community explaining why our actions are not capricious. You and Adam Miller will be formally copied on the letter to the MCA board. I'll get the other one to you as well.

I would imagine that have concluded that your vacation can't come soon enough!

Phil
